# G-Building Up and Running!

The beginning of this school year marked the opening of our long awaited G-Building. Here's a peek into what this building is all about!

Our EAGLES are moving full **STEAM** ahead learning all about **S**cience, **T**echnology, **E**ngineering, **A**rt, and **M**ath... and **M**usic too!

Welcome to the world of Science with Ms. Makii!

Welcome to Music class with Ms. Fobbe-Wills!

In the music room we are experiencing music through singing, playing instruments, listening and movement. We are constantly on the move in our beautiful space!!!

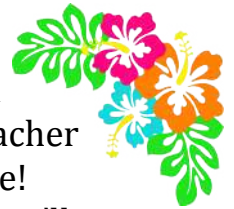

Get creative and expressive with art teacher Ms. Fukunaga!

Our teachers have been hard at work integrating all **STEAM** lessons so our students can get the full effect. From **S**cience to **A**rt to **T**echnology, everything is blended for one cohesive learning experience.

Say A Hui Hou
