SCHOOL IMPROVEMENT GOALS

Goal 1: By the end of the 2022-2023 school year, all teachers will use a collaborative PLC process to review formative ELA assessment data to inform instruction, provide remediation, and design enrichment activities.

Goal 2: During the 2021-22 school year we will develop common language and behavioral expectations for non-classroom settings (hallways, playgrounds, cafeteria) of Settles Bridge to ensure an environment in which behaviors are consistently and positively supported.
