

Sight Words for the 2nd 9 weeks:

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
will up other about out many	then them these so some her	would make like him into time	has look two more write go	see way no number could people	my than first water been call	who oil now find long down day	did get made come may part over

The students are required to learn 50 sight words each 9 weeks. We learn a few each week. You can choose to study them following this guide or you can check off the ones they know and study the remaining words. Sight words should be recognized in 3 seconds. The students need to “know them when they see them”

and not have to sound them out. This helps students with their reading fluency and comprehension. You can study with flashcards or matching games.
