Stephen Dressel
Chairman, Board of Directors
Newark Charter School
200 McIntire Drive
Newark, DE 19711

Dear Mr. Dressel:

The Department of Education has received and reviewed a charter minor modification request from the Newark Charter School to modify and expand the high school building.

Newark Charter School's minor modification request to renovate 6,000 square feet of unused space in the second floor mezzanine to create three classrooms for the Engineering and Physics Suite; and construction of a new 4,500 square foot building for the Performing Arts Center is approved.

The Department will require the certificate of occupancy and final floor plans when available to properly calculate the custodial units for the next school year.

If you should have any questions, please contact Jennifer Nagourney at (302) 735-4020.

Sincerely,

A blue ink signature of Mark T. Murphy, written in a cursive style.

Mark T. Murphy
Secretary of Education
