

Dual Enrollment Baccalaureate Prerequisite Guide

Things to consider before choosing your Dual Enrollment prerequisites:

- Which university do you plan to transfer to once you have completed your Associate in Arts degree (AA degree) with SJR State? By knowing which university you intend to transfer to, you can begin to look at that university's different programs of study.
- What is your intended major that you plan to study at your university of choice? Please review the list of possible major choices below, and the corresponding transfer choices.

Arts, Humanities, Communication, and Design (example careers: museum curator, public relations manager)

- ASL 1140 & ASL 1150 – American Sign Language I & II
- ARH 1000 - Art Appreciation (would also count toward the Humanities credit)
- ARH 2050 - Art History I (would also count toward the Humanities credit)
- SPC 1608 – Fundamentals of Speech
- SPN 1120 & SPN 1121 – Foundation of Spanish I & II
- THE 1000 – Theater Appreciation (would also count toward the Humanities credit)

Business (example careers: business operations manager, human resource manager)

- BUL 1241 – Business Law
- FIN 1100 – Personal Finance
- GEB 1011 – Introduction to Business
- MAN 2021 – Principles of Management

Education (example careers: teacher, director of education)

- DEP 2004 – Human Growth and Development (would also count toward social science credit)
- EDF 2005 – Introduction to the Teaching Profession
- EDF 2085 – Introduction to Diversity for Educators

Health Science/ Social and Behavioral Science and Human Services (example careers: occupational therapist, healthcare administrator, nursing, mental health counselor, and social worker)

- DEP 2004 – Human Growth and Development (would also count toward social science credit)
- HSC 1004 – Professions of Caring
- HSC 1531 – Medical Terminology
- HUN 1201 – Human Nutrition
- PSY 2012 – General Psychology (would also count toward the Social Science credit)

Public safety and criminal Justice (example careers: law enforcement officer, emergency management supervisor)

- CCJ 1020 – Introduction to Criminal Justice
- CJL 1062 – Constitution Law
- CJL 1100 – Criminal Law
- DSC 1006 – Introduction to Homeland Security

STEM – science, technology, engineering, and math (example careers: engineer, computer programmer)

- CGS 1060 – Introduction to Computer Concepts
- CGS 1100 – Microcomputer Computer Applications Software
- CJE 2640 – Introduction to Forensics, Crime Scene

*Each course listed above counts as a .5 high school elective credit or 3 college credit hours (ASL & SPN count as 4 college credit hours). The above list of courses also requires no prerequisite or set test score.

*It is the dual enrollment student's responsibility to ensure their choices transfer to their desired university and within their program of choice. SJR State cannot guarantee the courses listed above will be the perfect fit for each student, university or program. If you have specific questions you may call the SJR State Office of Dual Enrollment at 386-312-4136 or your high school counselor.
