Once you are logged into Edgenuity, you will be required to **watch a short orientation video** that explains how to use the Edgenuity program.

Orientation Video: Home

The screenshot shows a dashboard with three main sections: MATH, LANGUAGE ARTS, and SCIENCE. The LANGUAGE ARTS section is highlighted with a white box. It shows a progress bar that is 12% complete and labeled 'ON TARGET'. Below the progress bar, it says 'If you're on track, your progress will appear in blue.' and '74% Actual Grade'. There is a 'Next Activity' button. The MATH section shows 'Smyrna SLA - Geometry' and 'You are: 0% complete and ON TARGET'. The SCIENCE section shows 'Life Scienc' and 'You are: 2% co'. There are also 'Next Activity' buttons for the other sections.

Subject	Progress	Actual Grade
MATH	0% complete and ON TARGET	-
LANGUAGE ARTS	12% complete and ON TARGET	74%
SCIENCE	2% complete	15%

# ONCE YOU ARE IN YOUR CLASS: YOU WILL PROGRESS THROUGH EACH LESSON

Chemistry - SC3210 IC English Dainelle Hampton-Morton

## Lab: Physical and Chemical Changes

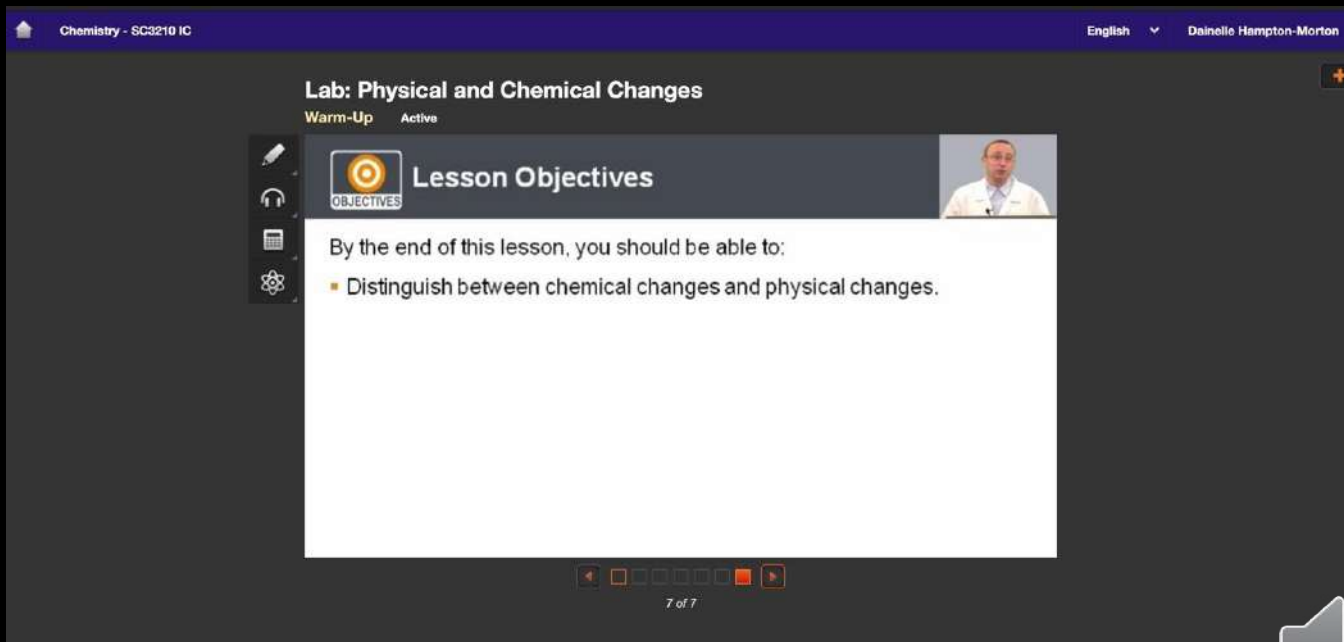

Warm-Up Active

### Lesson Objectives

By the end of this lesson, you should be able to:

- Distinguish between chemical changes and physical changes.

7 of 7

The screenshot shows a digital learning interface for a chemistry lesson. At the top, there is a purple header bar with the text 'Chemistry - SC3210 IC' on the left and 'English' and 'Dainelle Hampton-Morton' on the right. Below the header, the main content area has a dark grey background. The title 'Lab: Physical and Chemical Changes' is centered at the top of this area, with 'Warm-Up' and 'Active' status indicators below it. On the left side, there is a vertical toolbar with icons for a pencil, headphones, a calculator, and a chemistry flask. The main content area features a white box with the heading 'Lesson Objectives' and a small video thumbnail of a man in a white lab coat. Below the heading, the text reads 'By the end of this lesson, you should be able to:' followed by a bulleted list containing one item: 'Distinguish between chemical changes and physical changes.' At the bottom of the white box, there is a navigation bar with several small square icons and the text '7 of 7'. In the bottom right corner of the overall interface, there is a speaker icon with sound waves.

# GOALS:

- You have 22 week days to complete all SLA classes
- On Average, 1-SLA class should take 30-35 hours of active work to finish.
- Set a realistic daily goal for yourself
- Determine how many hours you will need to work each day to meet your goals
- Use the in-person and online help (through Edgenuity) as often as you need it!

## June/July SLA Academic Support Schedule

8am-12pm Mon-Thurs

Smyrna High School

<ul style="list-style-type: none"> <li>General Help – Wilson</li> <li>ELA - Brown</li> <li>Spanish - Henriquez</li> </ul>	<ul style="list-style-type: none"> <li>General Help - Wilson</li> <li>Science - Tice</li> <li>ELA - Brown</li> </ul>	<ul style="list-style-type: none"> <li>Spanish – Henriquez</li> <li>ELA – Griffin</li> <li>General Help - Brown</li> </ul>	<ul style="list-style-type: none"> <li>General Help – Wilson</li> <li>Science – Tice</li> <li>ELA - Griffin</li> </ul>

Help will be available in person -  
**Mondays – Thursdays**  
**8am – 12pm**

## IMPORTANT NOTES:

- Students may come in to the **SHS lab** during any day and/or time when it is available. Students must sign in when they come in and when leaving. Once in, stay until end.
- **You must have your own transportation.**
- **Get into a routine. Set daily goals. Get it done!!**
- Students may complete all work at home or use the computer lab as needed.
- **Students must complete 100% of the SLA course, and pass with a 60% or higher by July 21st in order to successfully earn the credit(s) for Summer Learning Academy.**
- Maximum grade is a 75% for student transcript.
- If you earn a grade below 60% in any course or do not complete a course, you will be re-enrolled in that course in the classroom next school year.
