Student Course Request Card for 2017-18

Student Name: _____ Student ID: _____ Gr ____ Counselor: _____

- All students must have **6 courses each semester** for a total of 6 credits each year (including seniors.) All available courses are on the back of this card. More course information can be found on the SLHS website: <http://slhs.pasco.k12.fl.us>
- Use the course list on the back of this form to complete the diagram below for the student's four core classes and top five elective choices for the remaining credits available. The requested courses are dependent on grade level, availability, class size, and student qualifications.
- We will do our best to give students their first choice of electives. The remaining elective choices will be considered as alternates if the top elective choices don't fit in the schedule.
- Current academic teachers will approve courses for their students for the 2017-18 school year after students make their requests. Elective teachers will also approve courses that have an asterisks symbol "*". Selections will be based on past class performance, student work ethic and standardized testing scores.
- Students cannot pick their teachers, class periods, or lunch period.
- **Please choose the course requests carefully since it may not be possible to change the courses later.**
