

# Teacher Registration

## Step 1 – Click Register

Go to SuccessNetPlus.com. Click **Register** to begin the registration process.

## Step 2 – Get Started

Click **Get Started** in the Teachers, section on the left and then certify that you are a teacher.

## School Code

A School Code is the unique number that Pearson assigns to each school and will identify you as a teacher at a specific school building. Click on **Enter Your School Code** and type in the following information:

School Code: 35-63-46

School: **Enter your school or zip code**

## Step 3 – Enter Your School Code

Enter your School Code. Type your school name or zip code into the School field until school names appear. Select your school. If you have trouble finding your school name, click the **Advanced School Search** link and enter search criteria, such as your city name, state, and zip code, and then click **Search**. Select your school in the Results list. After entering your school code and selecting your school name, click **Next**.

## Step 4 – Personal Information

Enter your name and e-mail address. Important information regarding system updates will be sent to this e-mail. We suggest an email address you check frequently. Click **Next**.

## Step 5 – Account Information

Enter a user name. By default, your e-mail address will appear in the user name field. **You may change your user name if you desire.**

Enter a password. Passwords must be at least eight alphanumeric characters long and contain at least one number or special character, such as @, #, or \*. Retype your password in the **Confirm Password** field. Write down your user name and password below. Click **Next**.

## Step 6 – Add Product

On the Products and Classes bar, select **Add Product**. Select one product (program). At bottom of the window, click **Add Product**. Repeat process to add additional product.
