

## **VACANCY NOTICE: Teacher, Special Education – Self Contained**

### **2022-23 School Year**

The Jefferson County School System is seeking a qualified candidate to fill the position of Teacher in a self-contained Special Education classroom. This position is located at Wrens Elementary School

After emailing a letter of interest referencing “SpEd Self Contained - WES” in the subject line to [vacancies@jefferson.k12.ga.us](mailto:vacancies@jefferson.k12.ga.us), all applicants must apply through Teach Georgia.

Generally, this class contains a mix of students identified with Moderate, Severe, and Profound Intellectual disabilities whose IEPs have determined self-contained model to be the LRE. This teacher must assume the professional responsibility for providing specialized learning experiences (based on IEPs) and supervision of students with disabilities in a supportive and positive classroom climate utilizing the Access Curriculum. Strong communication skills are needed to maintain the expected positive professional relationships with the assigned paraprofessional, building administrators, fellow teachers and parents.

### **MINIMUM QUALIFICATIONS**

Certification/License Required: Special Education Adapted Curriculum (P-12) [FLD805] AND the four (4) Special Education Academic Content areas (P-5) of Language Arts, Math, Science, and Social Science

Educational Level: Bachelor’s degree (or higher)

Proven ability to work collaboratively, communicate effectively, and deal tactfully and courteously with others

Excellent human relations and written and oral communication skills

The Jefferson County School System reserves the right to accept alternatives to some of the above requirements.

### **DEADLINES**

Applications will be accepted until the position is filled.
