

Mōkapu Specials

Mokapu Elementary School Design:

- Prepare children to become resilient life-long learners and responsible global citizens.
- Live MOKAPU and Spread ALOHA
- "...it is our kuleana - responsibility and privilege - to provide a well-rounded learning experience for all students."

What to expect from Specials during Quarter 1 Distance Learning:

Google Meets

- All Specials teachers will conduct one 15 - 45 min Google Meet per grade level per week. Attendance is recommended.

Learning Boards

- All Specials teachers will share one Learning Board per grade level per week.
- Learning Boards will have clearly marked **Must Do** and **May Do** activities.
- Learning Boards will include all required materials & instructions so students unable to attend the Google Meet will be able to participate later.
- Links to Learning Boards will be available on the school website, Specials websites, & in Specials Google Classrooms.

Music with Mrs. Sagers: Students may learn through live instruction in the Google Meet or utilize the Learning Board and work through the material at their own pace.

PE with Mr. Sagers: Students may learn through live instruction in the Google Meet or utilize the Learning Board and work through the material at their own pace.

Library with Mrs. Ramirez: Library Meets will be 15 - 20 min. Students may complete Learning Board activities during the remainder of the designated time.

STEM with Mrs. Evans: STEM Meets will be 15-20 min. Students will be excused to complete an activity of their choice from the Learning Board. Students may stay to ask questions after the Meet.

Technology with Mrs. Vincent: Technology Meets will be weekly to clarify the lesson and other options if needed. Otherwise, students may access all Learning Boards each Monday through their Classwork tab in Google Classroom.

Hawaiiana with Mrs. Ellwanger: Hawaiiana Meets will be 15-20 min. A weekly review/practice opportunity will be given on the Learning Board to reinforce the material taught in the Meet. A repeat of weekly lesson is available in Google Classrm.
