

The first rule of the Word Club app... *is to talk about the Word Club app!*

Did you know there's a FREE Word Club app to help spellers master the *Words of the Champions*?! Even better, spelling and vocabulary quizzes for *all* 4,000 words in the 2023 [Words of the Champions](#) list are available in the app.

Adaptable to different study and quiz styles for both spelling and vocabulary, the app offers added game-play to keep students spellbound (pun intended!).

Parents and teachers alike can download the Word Club app from [Google Play](#) or the [App Store](#) today!
