To Whom It May Concern,

On behalf of The Cypress Creek High School Bands program, we would like to ask for your support of our program for the 2022-2023 school year. Since our inception in 2017, we have grown from a program of 12 students and expect to be near 100 students this fall. Our program involves students from 9-12th grade in a variety of ensembles including Marching Band, Color Guard, Jazz Ensemble, Symphonic Band, Concert Band, Beginning Band, Indoor Percussion, and Winter Guard.

In the 2021-2022, our students made incredible strides. The Marching Band earned their first Superior rating at the Florida Bandmaster's Association Music Performance Assessment (MPA) and both Concert Ensembles earned Excellent ratings at MPA with their toughest repertoire to date. Our students made history by becoming founding members of *four* new ensembles: our two Florida Federation of Colorguards Circuit teams (Winter Guard and Indoor Percussion), the Jazz Ensemble, and the Elite Green Machine Pep Band. Both of our FFCC teams travelled to Daytona Beach to compete in FFCC championships, and Green Machine was invited as the featured athletic music ensemble of St. Leo University's Basketball Teams.

This fall, we will be making our competitive debut in the Florida Marching Band Championships (FMBC) circuit, competing against the top bands in the state of Florida with our 2022 production, *"Billy Joel: Stories from the Piano Man"*. This production is set to be one of our most ambitious yet, featuring plenty of exciting moments fit for football and competition!

In order to continue our incredible growth as well as provide an excellent education to our students, we are looking for sponsors that share our passion for developing these young adults. To show our gratitude to all of our sponsors The Cypress Creek Bands Program would like to provide the following promotional opportunities:
