Hello 6th Grade Families,

Starting next week, our 6th Grade Students are scheduled to take the Georgia Milestones End of Grade Assessments in English Language Arts & Math.

Testing will begin each morning by 9:20, so prompt arrival to school is imperative on testing days. Students who arrive after 9:15 during testing days will report to the media center until their grade level finishes testing.

Testing Tidbits to Remember:

- Students who get a good night sleep and eat a healthy breakfast are better prepared physically for testing.
- Arrive to school on time
Technology reminder---All devices should be stored at home or in lockers during all testing sessions. Possession of a device could result in an invalidation of their test score.
 - This includes phones, smart-watches, Fitbits with Bluetooth technology, tablets, etc.
- Students should come prepared with pencil(s) with erasers, and if desired a water bottle and snack. Snacks can be eaten at the conclusion of testing.
- All computers and scratch paper will be provided.
- On Math day, students will be asked to bring their basic calculator to use during testing.
- Relax and believe in yourself!
