PARENT INFORMATION

- Registration will begin at 8:00 a.m. Please make sure your child brings their entire project
- Please have your child bring a book or something to do during the judging. **They will be required to sit with their project during the judging period.** This will ensure that the judges interview each student.
- No loud music or games will be permitted as these will cause a distraction to students and judges.
- **Parents will be required to leave the cafeteria during judging.** We will have adult supervision at all times during the fair.
- We do not have facilities to accommodate parents during the fair. Many parents bring chairs and wait in the covered areas of campus.
- Students will be dismissed when the judging is finished. We hope this process will be finished by 11:30 a.m. This will depend on the judges. For safety reasons we will not dismiss the students from the cafeteria. **Parents must come into the cafeteria and pick up their child. We do not want any children wandering around campus unaccompanied.**
- We ask that all students return to the Performing Arts Center on the campus of River Ridge High School for the awards ceremony at 3:00 p.m. The ceremony will last approximately one hour.
