## 8th Grade Advisement Checklist for Students

The 8th grade year is a pivotal year in getting ready for high school. It is a critical planning year and one that takes careful thought about course, career, and after high school decisions. It is very important that students experience a smooth transition to high school. With thorough planning and career exploration and support from school counselors as well as parents/guardians, 8th grade students will make thoughtful college and career ready plans. For you college and career ready could mean college/university, technical college, specialty school, military or a skilled job. During the 8th grade year, three careers are explored and the BRIDGE Advisement/Individual Graduation Plan is created with the assistance of school counselors. Two valuable resources are GaCollege411 <u>www.gacollege411.org</u> and The College Board's Big Future <u>www.bigfuture.collegeboard.org</u> websites. Below is a checklist to make certain that you make a smooth transition into high school:

Month		Advisement To Do Checklist:
August		
	8.8.1	Be a Planner! Think about setting personal goals for academic achievement as well as developing good
		organizational skills. Encourage strong reading and math skills.
	<mark>8.8.2</mark>	Ask yourself about the career interest inventories that you completed during 6th and 7th grades and were saved
		to your GaCollege411 portfolio.
		Link for Career Interest Inventories:
		https://secure.gacollege411.org/Career_Planning/Learn_About_Yourself/_default.aspx
	<mark>8.8.3</mark>	Reflect upon the Career Cluster or Career Clusters that your student might be interested in.
		Link for Career Clusters: <u>https://secure.gacollege411.org/Career Planning/Explore Careers/Explore Careers.aspx</u>
	8.8.4	Consider the importance of being enrolled in challenging courses, if you qualify for advanced and or high school courses offered at the middle school.
	8.8.5	Go to the Fair! Discuss with your parent/guardian the PROBE Fair opportunity at the high school. This is an annual
		opportunity where both parents and students can speak directly with military, technical school and
		college/university representatives. It is never too early to begin gathering information.
	8.8.6	Remember, the counselors in the counseling office are available to help you. Contact the counselor regarding any
		of your questions or concerns.
September		
	8.9.7	Attend the PROBE Fair held in early September at one of the district high schools if you and your parent/guardian
		would like to do so. Location is announced during August.
	8.9.8	Think about how course work is going including any major project deadlines.
October		
000000	8.10.9	Review the High School 101 guide that is provided to you during mid-October. This guide is for both students and
	00.0	parents and is an informational tool that is used to complete the BRIDGE Graduation Plan during 8th grade, but
		also provides information about high school. In addition, begin to review the <i>Career Planner</i> . The link for the
		Career Planner is: http://www.paulding.k12.ga.us/userfiles/2/My%20Files/Career%20Pathways%202013-
		2014.pdf?id=441922
	8.10.10	Plan to attend the BRIDGE Advisement Informational event at the middle school. It will be very helpful to have
		reviewed the HS 101 guide along with your parent/guardian before coming to this event.
	<mark>8.10.11</mark>	Reality! After you attend the Reality/Pathway Fair at the high school during the school day during October, reflect
		upon what you learned from this event.
November		
	8.11.12	Attend the BRIDGE Advisement event and listen to high school as well as middle school counselors as they prepare
		you for the high school years and beyond.
	<mark>8.11.13</mark>	After the BRIDGE Advisement opportunity, complete the Honors/Advanced Placement course registration process
		via the school district website for next school year, if applicable. Middle school counselors will also provide you
		assistance with this during the BRIDGE Advisement Planning session at the middle school in December or January.
		This opportunity is a scheduled event.
	8.11.14	Complete three career choices via the GaCollege411 website. This BRIDGE advisement task is facilitated by the
		school counselor.
	8.11.15	Talk with people who are involved in the career interest area(s) that you have selected.
December		
	<mark>8.12.16</mark>	Plan, Prepare and Plan! Attend the mandated by Georgia law, BRIDGE Advisement session at the middle school.
		This event may be held at the middle school in December or January. Sometimes you will hear this event referred
		to as BRIDGE Advisement or a "face-to-face" opportunity to work on the BRIDGE Advisement Plan. By Georgia law
		a parent or guardian must be involved in the creation and approval of this plan along with the 8th grade student.
		BRIDGE Advisement document is used. There is information about this document included in HS 101. During this
		important opportunity, your student finalizes his/her high school course requests for the 9th grade year. You may
		also want to take another look at the Career Planner right before your scheduled BRIDGE Advisement session.

	0.40.47	Link: http://www.paulding.k12.ga.us/userfiles/2/My%20Files/Career%20Pathways%202013-2014.pdf?id=441922
	8.12.17	Think about testing-out of up to three EOCT courses. The school district website along with school counselors has
		information during December, January and early February should you have questions.
	8.12.18	Review the financial literacy resources that are on the GACollege411 website.
		Link: <u>https://secure.gacollege411.org/home/Mapping_Your_Future/Mapping_Your_Future.aspx</u>
January		
	8.1.19	Stay Focused! Continue to monitor your work and grades.
	<mark>8.1.20</mark>	Be sure you have completed the Honors/Advanced Placement course registration process via the school district
		website for next school year.
February		
	8.2.21	Update the Individual Graduation Plan using the BRIDGE Advisement document. School counselors assist with this
		process during classroom guidance.
	8.2.22	Plan to attend the March BRIDGE Advisement opportunity at the high school typically held the Monday prior to
		Spring Break.
		This Welcome to High School event covers these topics:
		Purpose of Informational Night
		Review of Steps Taken for Smooth Transition
		BRIDGE Advisement, Plans of Study, and Career Planner & High School 101 Guides
		Advisement and Course Requests for 9 <sup>th</sup> Grade
		Dual Enrollment Information
		Academic and Career Information
		Extra-curricular Opportunities
March		
	<mark>8.3.23</mark>	Think High School! Attend the March BRIDGE Advisement opportunity at the high school typically held the
		Monday prior to Spring Break.
		This Welcome to High School event covers these topics:
		Purpose of Informational Night
		Review of Steps Taken for Smooth Transition
		BRIDGE Advisement, Plans of Study, and Career Planner & High School 101 Guides
		Advisement and Course Requests for 9 <sup>th</sup> Grade
		Dual Enrollment Information
		Academic and Career Information
		Extra-curricular Opportunities
		There may also be a required Honors/AP informational session connected to this BRIDGE Advisement Opportunity
April		
•	8.4.24	Remember to monitor your course work and grade progress.
	••••=•	Remember to monitor your course work and grade progress.
