## General Announcement

### Blood Drive Donor Sign-ups

Every 2 seconds someone in the U.S.A. needs blood for traumatic injuries, surgeries, cancer treatment, childbirth, and other chronic illnesses. However, about 2% of age eligible people in Hawaii donate blood yearly. Our island's supply is often low, so be a hero and sign-up to donate life-saving blood at our first blood drive this school year on Tuesday, Sept. 10! Those 16-18 years old need parent permission; Forms are available in A202. Appointments may be made in A202. Thank you!

\*Our blood drives are open to PCHS family and friends, too! The Blood Bank of Hawaii has a sweepstakes going on until Sept. 30th for blood donors with round trip Alaska Airlines tickets.
