Your Help is Needed! PCHS Blood Drive, Nov. 2

Since the early part of this year, the Blood Bank of Hawaii needed to rely on mainland blood centers to import blood in order to meet the needs of our local hospitals, because not enough local donors have been coming out to donate. Recently, it has become harder to import as mainland blood centers are struggling to collect blood as well. This is scary for our local patients whose lives are relying on these blood products. Let's not make any patient have to wait for blood. Please do your part to make sure it is readily available for them by donating at our Nov. 2nd drive, and making that commitment with an appointment soon.

If you are 16 or 17 years old, see Ms. Ramos Morton in Room A202 for a Consent Form or print one out and turn it in. These are required every time you donate.

If you are 18 years old or older, feel free to call Blood Bank of Hawaii at (808) 848-4770 or click on the link shared in the c/o 2024 or c/o 2025 Google stream to schedule your appointment.

Thank you for choosing to help save lives!
