- 1) Sketchbook-** It is best to have an artist quality sketchbook with at least 50 sheets of white or cream paper. Choose one no smaller than 8’x11’ or no larger than you would want to carry.
- 2) Drawing Pencils-** Artists’ pencils are graded by letter and number to show darkness and hardness. The greater variety you have, the easier it is to draw. You need at least 2B, 4B, and 6B and a few regular writing pencils
- 3) Erasers-** Art Gum (yellow cube) or kneaded erasers (soft gray)
- 4) Markers and Sharpies-** A few black permanent markers with a fine point for inking in their artwork and a set of colored markers.
- 5) Colored Pencils-** For Drawing Projects.
- 6) Miscellaneous-** 12’ ruler, scissors, A storage container or pencil bag.
- 7) Optional** – for big painting projects I allow students to bring in their own painting canvas to work on.
