Subject : New Trier: Summer School 2024 Registration Instructions

Recipients : Rising freshman, soph, juniors and seniors.

Dear Parents / Guardians:

New Trier will begin accepting Summer School 2024 registration requests for Academic and Enrichment Courses and Sports Opportunities on **Monday, February 5 at 8:00 AM** through the [PowerSchool Parent Portal](#).

Prior to registering your student, please carefully review the [summer school brochure](#) for course information and details on summer school policies and procedures and read the following instructions.

Registration Requests - General Information:

- There are two summer school forms available in PowerSchool which can be accessed by clicking the “Forms” icon on the left-hand side of the screen:
 - For Academic or Enrichment Courses use:
 - Summer School Academic/Enrichment Course Request 2024 Form
 - For Sports Opportunities use:
 - Summer School Athletic Course Request 2024 Form
- Following are the registration periods for all Summer School 2024 courses and opportunities:

| | Regular Registration Dates | Late Registration Dates |
|---------------------------------|----------------------------|-------------------------|
| Academic and Enrichment Courses | February 5 - March 22 | April 5 - June 11 |
| Sports Opportunities | February 5 - May 1 | May 8 - June 17 |

- **Late registrations will be limited to remaining seats available following the regular registration period. Late registrations are subject to a \$50 late registration fee.**
- Submitting the Summer School Registration Request form does not guarantee a seat in a course. Courses are available on a first-come first serve basis, and class size is limited and subject to available staffing.
- Academic and Enrichment classes will be held at the Winnetka Campus.
- Sports Opportunities will be held at the Winnetka Campus, Northfield Campus or Duke Childs Field depending on the sport.

- Prior to completing the Summer School Registration Request Form, students and parents/guardians should refer to the times in the [summer school brochure](#) to avoid time conflicts between classes and athletics.

Registration Processes and Waitlist Option

Academic and Enrichment Courses Deadline: March 22

Sports Opportunities Deadline: May 1

Regular Registration

- Up to the above registration deadlines, parents/guardians will be able to modify and re-submit the Summer School Registration Form if a change needs to be made. After the deadline, parents/guardians who have submitted a form will not be able to modify and re-submit a form. If a change must be made after the deadline, the parent/guardian must email the change request to ntsummerschool@nths.net
- Notifications confirming registration in requested courses will be sent to parents/guardians by mid-April (Academic and Enrichment Courses) and mid-May (Sports Opportunities).

Late Registration

- After the registration deadline, staffing and class sectioning decisions will be based on the number of requests. Courses with insufficient enrollment will be canceled, and parents/guardians will be informed of the cancellation.
- After the deadline, if a class is closed or canceled, it will be noted on the registration form.
- After the deadline, registration will reopen on April 5 (Academic and Enrichment Courses) / May 8 (Sports Opportunities) until the enrollment reaches capacity. Late registration requests will be granted only if space exists and are subject to a \$50 late registration fee. Once a course reaches capacity, parents may select the “waitlist” option that will be listed on the form.

Waitlists

- Students will NOT be able to register for one course AND be placed on a waitlist for a different course. They also cannot be placed on multiple waitlists.

Notification to Families and Payment:

- Families will be contacted if their summer school request cannot be accommodated.
- New Trier’s Business Office will bill registrants in May. Registrants must pay the entire tuition at that time.
- There is no tuition or late registration fee for credit recovery courses.

- The Business Office receipt of payment will be the final confirmation of course enrollment.

Summer School Schedules:

- Summer School schedules will be available in **PowerSchool** approximately **one week before the start of Summer School**. Student schedules will not be mailed or emailed.
