

SUMMER BRIDGE PROGRAM

Get a head start on your college career with no out-of-pocket costs! The Summer Bridge program is designed specifically for 2022 high school graduates to help students easily transition to college courses while developing skills for future success. The program uses available financial aid and/or institutional funds to cover tuition, fees and books so students can get started and GO Far!

Space is limited, so submit your interest form and apply for admission by June 3 to secure your seat.

Program Information

Students in the Summer Bridge program will take two classes during the Summer 2022 B Session, IDS 1107 First Year Experience Flightpath: Chart Your Course and an additional course of their choosing between:

- ENC 1101 English I
- SPC 1608 Speech Communication
- HUM 2020 Experiencing the Humanities
- AMH 2020 US History 1865-Present

Seminole State has multiple learning options so students can select courses to fit their preferred learning style. Whether it is by taking classes remotely, in-person or a combination of the two with our hybrid courses, there is an option for everyone. Embedded tutors and librarians will help introduce the students to the resources available at the College.

Program Eligibility

To be eligible to enroll in this program, students must:

- Be a 2022 high school graduate interested in earning an Associate in Arts (A.A.) degree.
- Submit the Interest Form.
- Submit an Application for Admission for an A.A. degree for Summer Term 2022 and be accepted to Seminole State.
- Be classified as an in-state Florida resident.
- Complete the First-Time-In-College Students Steps to Enroll.
- Submit a 2021-22 Free Application for Federal Student Aid (FAFSA).

GO STATE. GO FAR.

“For someone who did not even want to go to college, I had a whole change of mindset after being a part of the [Summer Bridge] program. It has opened many opportunities for me and it has gotten me more excited for the fall semester.”

—Julissa Anglero
Seminole State student and 2021
Summer Bridge participant
