Dr. Morcase J. Beasley is pleased to serve as the new Superintendent of Schools and Chief Executive Officer (CEO) of Clayton County Public Schools (CCPS). As it is his mission for CCPS to be *Committed to High Performance*, Dr. Beasley understands that high performing school systems engage all stakeholders as it is the responsibility of a school district to work collaboratively within the community to ensure the success of all children. Dr. Beasley believes vehemently that achieving and sustaining continuous improvement and higher performance occurs with quality school leadership, effective and rigorous instruction, and with the critical and consistent engagement of parents, students, employees and community. Therefore, as Superintendent, he has scheduled the following Critical Conversations for the 2017-18 School Year. Please note that additional details will be added as more information and/or Critical Conversations are scheduled. **To view the full schedule, please refer to the CCPS website, [www.clayton.k12.ga.us/](http://www.clayton.k12.ga.us/) .
