HISTORY

1924: Schofield High and Grammar School was built on the side of King Kalakaua's hunting ground where lehua trees flourished. The high school division was a branch of McKinley High School.

1926: Leilehua celebrates its first graduating class.

1928: Leilehua adopted its colors, green and gold – the green from the pineapple fields and the gold for its fruit, which surrounds our town of Wahiawa.

1929: Leilehua's first newspaper, the *Sentinel*, rolled off the press and still continues today.

1932: Leilehua adopted the MULE as its mascot, the symbol of the US Army and the mascot of West Point Academy.

1949: The Schofield and Leilehua High Schools were combined and built on its present 32-acre site.

Since it's beginning in 1924, Leilehua has flourished and grown in size. Today it's comprised of a diverse student population of 1,700. Its programs, facilities, and staff provide the students with excellent opportunities for educational, social, and personal growth. In 1993, Leilehua was selected as a Nationally Recognized School of Excellence. In 2008, Leilehua earned the maximum six-year term of accreditation from the Western Association of Schools and Colleges. Leilehua continues with its award winning programs in JROTC (cyber patriots national winners), Marching Band, Scholastic Art, Peer Mediation program and athletics.

Students will lead fulfilling lives and contribute positively to society.

Mission

Students and staff promise to exemplify the Leilehua Way of Leadership, Humility, and Service.

We promise to provide rigorous curriculum and life experiences to develop the whole child.

We promise to go above and beyond daily routines to nurture student success.

General Learner Outcomes (GLOs)

General Learner Outcomes are the essential overarching goals for all grade levels, from elementary through middle to high school for all of the academic disciplines. Every content standard, benchmark, and grade level performance indicator should support the learner's progress towards these outcomes because they enable learners to lead full, productive lives.

The GLOs do not exist in isolation but should be an integral part of the school culture as demonstrated in daily classroom assessment. They are:

- **Self Directed Learner -**

The ability to be responsible for one's own learning.

- **Community Contributor -**

The understanding that it is essential for human beings to work together.

- **Complex Thinker -**

The ability to demonstrate critical thinking and problem solving.

- **Quality Producer -**

The ability to recognize and produce quality performance and quality product.

- **Effective Communicator -**

The ability to communicate effectively.

- **Effective and Ethical User of Technology -**

The ability to use a variety of technologies effectively and ethically.

Cell Phones are NOT to be used during instructional time unless approved by the instructor. Students caught using cell phones inappropriately during the school day may have their phones confiscated.

Students choosing to bring personal devices to school, do so at their own risk. Administration will not be responsible for investigating lost or stolen items.

Dances: School dances or school-sponsored events that include dancing are permitted because of the social value for our students. However, students must demonstrate that they are indeed learning and practicing appropriate behavior for a social setting.

The following rules apply at these activities:

- For school dances and proms, a minimum # of tickets set by the group sponsoring the event must be sold in advance. Tickets will NOT be sold at the door. If the minimum is not reached by the end of the ticket sale period, the activity will be canceled and refunds will be issued.
- If outside guests are permitted, conditions will be outlined on the permission form for that activity.
- School dances are closed-door events. Doors will close by a designated time after which no one will be admitted in. All students must remain in the activity until the end time unless a parent calls for the student in person at the door.
- Administration may search any bag or bulky item that appears to be a safety concern.
- Students must display appropriate and legal behavior throughout the activity, including appropriate language and dance movements. Inappropriate behavior includes vulgar gestures, any part of the body on the dance floor other than feet, partners riding each other, rubbing, revealing or bringing attention to private body parts. These students will also be subject to disciplinary consequences.
- Students must follow the dance dress code standards. Failure to do so will result in being sent home or being banned from all future dances for a one-year period.

Student Responsibilities

Conduct: All LHS students are expected to demonstrate pride in and loyalty to the school through their behavior. They are expected to treat other students and staff members with courtesy and respect. Therefore, students should be cognizant of their actions and manner of speech while on campus and at school-sponsored events that may occur off-campus. Profanity is absolutely prohibited. All school rules and Chapter 19 policies shall be in effect at all school activities both on and off campus. Students will adhere to all instructions and/or directions from school personnel. Official school personnel always wear a Leilehua ID badge.

Fire and Emergency Drills: Fire and emergency drills are held periodically. The alarm may be given by the fire bell or by an announcement over the CCTV system. A school emergency is indicated by a continuous ring of the school bell. This alarm is used for any urgent or dangerous situation that might occur on campus. All students will be instructed to their locations and procedures during the drill or emergency. Students are to move quietly, quickly and in an orderly manner to their designated areas. Loitering, unnecessary talking, and rowdiness will not be permitted. One long bell ring will represent the all-clear signal to return to normal classroom instruction.

Homework and Make-up Work: Homework is an integral part of a student's education. It is an extension of the formal instruction to help reinforce the student's learning. Homework shall be considered within the framework of the needs of the individual student in meeting program or course objectives. The ultimate aim in the accomplishment of homework shall be the student's acceptance of the responsibility for independent work outside the formal classroom. Students who miss classes are responsible for requesting and completing make-up work within the appropriate time period.

Additional Academic Assistance

Tutorial Instructional Program for Students: TIPS provides an opportunity for Leilehua students to get homework assistance right after school from 2:45pm. – 4:00pm. Monday, Tuesday, Thursday, and Friday in the Library. All students attending TIPS must bring their current LHS student ID card.

Students Maximizing Academic Resources and Tutorial Services: SMARTS provides Leilehua students a place to study, access technology, and receive academic assistance from teachers. SMARTS is available on

Tuesday and Thursday evenings from 6pm – 8pm in the Library. All students attending SMARTS must bring their current LHS Student ID card.

Care of School Property: Students should have proper regard for school property. Destruction, defacing or theft will not be tolerated. Offenders will be subject to disciplinary action and will be made to pay for any damage or loss. In addition, each student should do his/her part in keeping our campus and buildings (including bathrooms) clean. All trash should be thrown into proper containers. Walls should be kept clean of graffiti.

LHS Student Dress Code Policy & Guidelines

(As adopted by SCBM & Instructional Councils, May 1999)

I. Policy (adopted by SCBM Council, Sept. 10, 1998)

LHS shall provide an environment conducive to the physical, mental, social and emotional well being of all students. The school climate shall foster a safe, secure, and caring learning environment, which nurtures personal growth and promotes positive attitudes. The school shall prepare students to be productive, informed and responsible citizens capable of participating successfully in a global society.

Paramount to this effort is the expectation that students dress appropriately for the school setting. Dress deemed inappropriate or disruptive to school operations will not be tolerated. It is expected that students will dress as they would for a work setting. Students found to be dressed inappropriately, as determined by the school administration, may be asked to change or, if not possible, sent home.

II. Guidelines

While the school climate encourages individual creativity and student empowerment, the school also recognizes a need to guide students toward appropriate attire for different settings. E.g. work, school, proms, etc. The following guidelines will ensure that students are dressed properly for the school setting.

A. Inappropriate attire includes:

- Clothing showing pictures or messages promoting drugs, criminal activity, sexploitation, discrimination, profanity or violence.
- Clothing that exposes underwear, underwear worn as outerwear or lack of underwear.

- Clothing that is skin-tight or reveals back, midriff, cleavage, or buttocks.
 - Strapless tops or tops with spaghetti straps will only be permitted for special functions. Not for use during the school day.
 - Clothing or accessories with sharp points, studs or chains.
- B. Footwear is required, preferably shoes or sandals.
- C. Shorts, pants, and skirts must be worn on waist or hips.
- Pants should be of appropriate length (i.e. should not drag on ground).
 - Shorts and skirts should be at least equal to the length of the wearer’s longest finger while the individual is in a standing position and arms are extended downward to the sides.
- D. Shirts and/or appropriate tops must be worn at all times.
- E. Headgear (caps/hats, scarves, beanies, stocking caps, wave caps, etc.) sunglasses and headphones may not be worn in class or indoor activities.
- F. Students who wear their athletic or program uniforms to school events or activities must still abide by the dress policy. If the uniform does not comply with the dress policy (e.g. too short, too tight, etc.), then the student may wear the attire for the necessary activity only (assembly, pep rally etc.)

III. Enforcement

All students are expected to adhere to Leilehua’s dress policy. Monitoring will be done by all faculty and staff of LHS. Consequences for students who do not comply with policy are as follows:

- **First Infraction:** The student will be taken to the Counseling Center and counseled. Student must change into appropriate clothing provided from home or school. The infraction will be placed into the student’s record.
- **Subsequent Violations:** Subsequent violations shall be a Chapter 19, Class C offense for **insubordination**. The following disciplinary actions shall be administered as determined by the principal or designee (not necessarily progressive):
 - Reprimand and warning
 - Parent Conference
 - Detention
 - Suspension

Leilehua Complex Schools

Attendance Policy & Procedures

ABSENCES

All the secondary schools in the Leilehua Complex are following the same procedures. Schools will only excuse absences when a note is submitted within three days upon student’s return to school. Absent notes must include the following: date note was written, student’s full name, date(s) of absence(s), reason for absence(s), and parent/guardian legal signature. A doctor’s note is required for students with over three consecutive absences. Any student that will be out of school for 10 or more consecutive school days may be dis-enrolled from school and must re-enroll upon returning to school. Students who miss more than one-half of the period will be marked absent for that period.

Examples of excused absences include:

- Illness or injury of student (doctor’s note necessary if over 3 days absent)
- Death in the family (immediate family members only)
- Quarantine (i.e. chicken pox, measles, etc.)
- Court appearances
- School-sponsored activities (i.e. student council/club related activity, school sports activities, field trips, etc.)

- Participation in an educational program organized and sponsored by a recognized institution of learning, for which approval has been given obtained (i.e. college visits)
- An emergency deemed legitimate by the Executive Director (i.e. severe weather, power outage, fire)
- Suspension from school.
- Special cases approved by the Principal (please contact school counselors for information regarding approval of special cases)

*Doctor appointments (i.e. physician, dentist, optometrist) should be made on weekends, early mornings (student returns to school before 11:00am) or after 11:00am on school days as much as possible to minimize loss of instruction.

Examples of unexcused absences include, but are not limited to:

- Babysitting siblings or caring for elderly family members
- Entertaining visitors/guests
- Family vacation/trips
- Transportation issues
- Competitions/performances (i.e. sports, cheerleading, hula, etc.)

TARDIES

Students are considered tardy upon reaching their classroom after the second bell or period tardy bell for secondary schools. Leilehua High School will only excuse a tardy when a note is submitted for one of the following reasons: medical appointments with official note from doctor's office, delayed school bus or students with a late pass (secondary students). Unexcused tardies include, but are not limited to, the following reasons: overslept/late start, car trouble, missed/late city bus, ride was late, babysitting, personal business, eating breakfast or doing homework.

If students are tardy, parents are strongly encouraged to bring their child to school to minimize missed instruction.

EARLY DISMISSAL

Early dismissal should not be used for matters of convenience (e.g. to avoid traffic, after a school assembly/performance). However, if it is necessary for your child to be released during the school day, the office will prepare an Authorized Student Pass.

The adult authorized to pick up the child (name of adult must be listed on Emergency Release Form) is to report to the office, complete an early Dismissal Form and sign a release at the time the child is picked up. The student is to meet parent/legal guardian or authorized adult in the office in the office at the requested time. A picture identification of the adult picking up the child will be requested. A child will not be permitted to leave the school unescorted. If a child leaves early and returns before the end of the school day, he/she is to report to the office for an admittance slip. Students who miss more than one-half of the period will be marked absent for that period.

POLICY

Hawaii State Statutes require children between the ages of 6-18 to attend either a public or private school unless excused from school. The law places the responsibility for enforcing compulsory attendance within the Department of Education.

PROCEDURE

Level 1: 5 absences - First notification, teacher will inform grade level counselor of absences/tardies. School staff will send a letter home to parent/guardian informing them of accumulated absences/tardies. Counselor may speak to student and/or parent/guardian regarding attendance and provide information on possible consequences and support.

Level 2: 8 absences - Second notification, teacher will inform grade level counselor of absences/tardies. School staff will send a second letter home to parent/guardian informing them of accumulated absences/tardies. Counselor and/or Administrator may schedule a meeting with parent/guardian and school staff to discuss students attendance/academic concerns. At the meeting, school staff will discuss possible interventions for improving attendance. Parent/guardian may be asked to participate in developing an Attendance Action Plan and/or approve counseling interventions. School Liaison Officer/School Social Worker will be notified of student's attendance.

Level 3: 10 absences - Third notification, teacher will inform grade level counselor of absences/tardies. Counselor, Administrator, and School Liaison Officer/School Social Worker may conduct a home visit. The team will reevaluate the student's Attendance Action Plan and make the necessary changes.

Level 4: After 10 or more absences - A Family Court petition for Education Neglect or Truancy may be filed.
