School Food Authorities (SFAs) applying for the Fresh Fruit and Vegetable Program (FFVP) grant must be an elementary school including grades K-6 and should have 50% or higher of students eligible for free and/or reduced-price meals. After allocation of \$50 per student, if funds remain, SFAs with fewer than 50% of students eligible for free and/or reduced-price meals may be considered for funding, per USDA guidance. If there is still funding remaining, per student allocation can be increased up to \$75 per student. Applicants are ranked according to free and reduced-price eligibility percentages from highest to lowest, with highest percentages receiving priority. This funding amount is for July 2022 through June 30, 2023.

In order to be approved for grant funding, applicants must have submitted the completed FFVP grant application by the July 12, 2022 4:00 p.m. deadline. Late applications were not accepted.

Below is a list of all successful applicants and the amount awarded to each for the remaining FY 2022 funds. These funds expire on September 30, 2022:
