

Taking an Accelerated Reader Quiz

Students need to login to their Schoology Account, Click on a Course, Click on the button for Clever, then click on Renaissance Learning. [To see a video demonstration of how students take a quiz, click here.](#) (ARStudentVideos)

Students should take quizzes within 24 hours of finishing a book. If they must wait longer and they do poorly, teachers won't know if they had problems comprehending what they read or if they simply forgot some of the details. To find out which browsers are supported for student quizzing, see <http://www.renaissance.com/system-requirements/> (<http://www.renaissance.com/system-requirements/>). Students can also read nonfiction articles and take quizzes about them - see [How Students Read Articles and Take Quizzes \(TakeARArticleQuiz\)](#).

Students should follow these steps to take a quiz:

1. After you log in as a student, you'll see the Home page. If you are already using the program, select the Home icon at the top of any page.
2. Select **Accelerated Reader** or **Accelerated Reader 360**. What you click depends on what you see on the Home page.
3. If you are enrolled in more than one Accelerated Reader class, select the name of the class that you want to take a quiz for; then, select **Done**. Student should choose their Hurricane Time Teacher.

If you change your mind about the class you want to choose, use the drop-down list at the top of the page to choose a different class.

Accelerated Reader has a student capacity limit. If that limit has been reached for your school or district, the program will display a message telling you that. If you get a message like that, make sure you tell your teacher. Then, select **OK** to close the message. If the student capacity limit has been reached, you cannot take a quiz until it is increased or adjusted.

4. Search for the book that you want to take a quiz for. Type all or part of the book title, all or part of the author's name, or the quiz number. Then, select **Search**.

5. In the list of books, select **Take Quiz** for the quiz you want to take.

If the list is long, use the arrows to see more of the list: (Next), (Back), (last page), or

⏪ (first page).

⏪ ◀ Page 1 of 78 (779 results) ▶ ⏩

If you don't see the quiz you want to take, try searching for it again or talk to your teacher to see if your school has the quiz.

🔍 If no quizzes are found for the word(s) a student typed, but those words are similar to words that do match quizzes, the program may list those quizzes.

6. If more than one quiz type is available for a book, choose **Start Quiz** for the type of quiz that you want to take. Students need to take the "Reading Practice" to gain points.
