HOMework

- Homework is listed on the assignment and scale sheet which is placed in “materials” in Schoology for the topic we are covering. Students get a copy of it for their binders.
- For example, we are currently covering Topic 2: Linear Equations, Folders for these will be found under Materials.
 - 2.1 Slope Intercept Form
 - 2.2 Point Slope Form
 - 2.3 Standard Form
- The homework is listed on that sheet by dates. Sometimes they vary, but are listed on the whiteboard. Students have an opportunity to copy them, and I accept late work within a reasonable time frame. This is because many of our students are involved with sports that are after school. They need more time to complete the work.
- Homework is also listed in Notifications weekly in Schoology.

GRADING

- *70 % of the grade is based on Summative Assessments.*
- *30 % of the grade is based on Formative Assessments.*
- *These may include Exit Ticket Assessments, Classwork Assignments, and Homework.*
