

TOCOI CREEK HIGH SCHOOL

2021 - 2022 Open House

Environmental Science

Ms. Beland

ABOUT ME (Ms. Beland)

I am originally from Massachusetts. I graduated from Flagler with a bachelors in Coastal Environmental Science and History. I moved back to MA to work in Special Education. Then moved back to Florida to become a high school science teacher. This is my third year in St. Johns County, my last two years were at Nease. I am the Assistant Swim Coach at Toco.

Q3: Human population, Renewable and non-renewable resources and Human impacts,

Q4: Ecosystem response to disruption and Climate change

SJCSD YEAR AT A GLANCE: <https://www.stjohns.k12.fl.us/year-at-a-glance/>

HOMework

- It is rare that I give homework, as students are working through the tiering model, proving what level learner they are during the class time provided. Extra time is built into each unit to allow students the best opportunity for great achievement.

GRADING

Formatives are 30% of overall grade and Summatives are 70% of overall grade
Students are required to remediate all formative quizzes.

It is the student's responsibility to check summative grades in HAC and inquire about remediation within 48 hours of grades being posted if they desire to remediate for up to an 85.

THANK YOU!!

IT IS A PLEASURE TO PARTNER WITH YOU IN THIS YEAR'S EDUCATIONAL JOURNEY. WE APPRECIATE YOUR CONTINUED SUPPORT.

HORNS UP...TOCOI!
