## About Me:

I am a native Floridan, born and raised in Miami. I earned both a bachelor's and master's degree in Education from Florida State University. In 2015 my family relocated to St. Johns County due to my husband Steve's Navy career.

The 2021-2022 school year marks my 22<sup>nd</sup> year of teaching. I have taught most subjects, but my specialties are reading and organizational strategies.

I am active in the volunteer and service community and look forward to continuing these activities alongside my students!
