ABOUT ME (Mr. Wisser)

Mr. Wisser is originally from Miami, FL. He is entering his 18th year overall teaching. He taught for 13 years at two different public schools (Miami Springs Senior High – 3 years and Coral Gables Senior High – 10 years) before moving up to St. Augustine. He has spent the past four years teaching at St. Joseph Academy in St. Augustine. As well as teaching math, Mr. Wisser is the Head Baseball Coach at Toco Creek and has been the head baseball coach at all his previous schools.

Mr. Wisser is familiar with St. Augustine as he graduated from Flagler College with a Bachelors in Sport Management. He then spent a year in Asheville, NC working in professional baseball. He then realized his true calling was working with kids in the classroom and on the baseball field and completed the required courses to teach Mathematics at the High School level.

HOMEWORK: Algebra I

- The students will be taking notes in their notebook and through guided notes.
- Most of the time students will have time in class to begin HW. Often times, they will finish. I prefer this method so they can ask for help and I can assist when needed. There are times that the lesson will be longer and they will have more to do at home.

GRADING

- The district grading policy is followed for all classes:
- Formative (Quiz) 30% of overall grade
- Summative (Test) 70% of overall grade
- If a student wishes to retake a summative, they need to complete remediation and schedule to do the retake before the given deadline.

THANK YOU!

IT IS A PLEASURE TO PARTNER WITH YOU IN THIS YEAR'S EDUCATIONAL JOURNEY. WE APPRECIATE YOUR CONTINUED SUPPORT.
