

Technical Theatre – Jobs in the Theatre - Directions and Project Rubric:

- Part 1: Presentation: (70 points)
 - A powerpoint, film, or booklet (if you make a booklet you have to have one for each person) that answers the following:
 - Gives Details of what materials this person needs to do their job (10 points)
 - Who they work with, and for in the process. (10 points)
 - What kind of skills are needed to do this job? (10 points)
 - Examples, in pictures or models of this jobs work product (10 points)
 - How much are they paid? (10 points)
 - Notecards written to read for the class presentation. Presentation must be a minimum of 10 mins in length. (10 points)
 - Every person in the group is required to present a portion (10 points)
- Part 2: Handout (30 points)
 - Must have a handout, or some kind of set of questions for your classmates to answer during your presentation. (10 points)
 - You must collect and grade these handouts, and turn me in a list of grades for each student in the class (10 points)
 - Handout must be neat, easy to read, and the questions well written and easily understood. Must contain a variety of questions: true/false, short answer, multiple choice, essay. (10 points)
