

# Technology Newsletter

Please remember that all students can log on to a laptop, smart phone, PS4 or Xbox One if it has internet capabilities to complete any of the activities below.

A google classroom is also set up with all this information listed below. The link is <https://classroom.google.com/u/0/c/NjQ3NjE1OTExMjFa> and the password to join the class is bbbo4o5. I will be checking the classroom daily, so if you have any questions or concerns please post them and I will answer them.

All students can log into their Clever Account from the Camden County homepage. You will need to go to students across the top and click on students. If you click on students, it will give you an additional menu and from there you can click on Clever Login. Your child's log in information is first name.last name@gx.camden.k12.ga.us. Everyone's password is their 6-digit lunch number. For example, catherine.schinella@gx.camden.k12.ga.us with a password of 123456. Your student will be able to log into their MobyMax, I-ready, and IXL accounts from Clever.

Students can also log on from Clever to take AR test, information for that log in information is belows. Students will log into their Clever Account and the onto their Accelerated Reader 360 icon to take AR tests on the books they have read on [www.myon.com/login/index.html](http://www.myon.com/login/index.html). They can also take tests on books that they have read from school or their private libraries at home.

The log in information for Accelerated Reader is the first initial and last name. The password is usually your student's initials. For example, cschinella is my username with cs being my password.

However, if you or your student does not get into their account the first time, please click below the log in on Forgot Username or Password. You will need to click on your school, type in your student's name and it will give you his/her password. If you get locked out, I will be logging in every day and will unlock all accounts.

In addition, the following accounts are now free due to COVID-19 Pandemic. The first one is MyOn which a reading app with hundreds of free online books for your child to read. Students can also take AR tests on all books read through [www.myon.com/login/index.html](http://www.myon.com/login/index.html)

1. Renaissance Learning ~ Get Georgia Reading: AR is providing free access to their MyOn reading, which has hundreds of books for the students to read. In order to read the books, you will need to log into the following account:

[www.myon.com/login/index.html](http://www.myon.com/login/index.html)

- a. School Name: Get Georgia Reading
- b. Username: camdencounty
- c. Password: read

3. The Magazine Team at Scholastic has been hard at work to provide schools with 21 days of FREE digital content. The site has just gone live, and the first 5 days of content across all grade levels are available now, with additional content coming soon. Here is the link for the website:
