EXECUTIVE SUMMARY

EVANSTON TOWNSHIP HIGH SCHOOL

DISTRICT 202 | 1600 DODGE AVENUE, EVANSTON, ILLINOIS 60201 | www.eths.k12.il.us

June, 2019

To the School Board:

We are proud to publish the proposed FY 2020 Tentative Budget to the Board of Education and to the community. We welcome the opportunity to present and discuss operational plans and related financial impact with our Board and community. Transparency in communicating our budget to our taxpayers in our community consistently leads to operational and educational improvements. This budget is balanced, with operating revenues matching or exceeding operating expenditures, for the thirteenth consecutive year.

The FY 2020 budget is \$90.4 million in expenditures which is 5.3% more than the FY 2019 budget. The operating budget is \$79.2 million which is 3.8% more than the FY 2019 operating budget. This budget is the result of conservative budgeting and deliberate containment of personnel costs, most of which are determined by contractual obligations. Typically, the budget is 2-3% more than the previous year. It is important to note that there is a larger increase this year due to the expected influx of revenues from the expiring Washington National Tax Increment (TIF) District. This, in addition to taxes on new property, will account for an additional \$1.5-\$1.8 million in revenues. There is a provision in the Educational Fund to transfer \$2 million to the Capital Improvements Fund for much needed infrastructure projects.

The 2019-20 year will be the third year in which the Illinois State Board of Education has funded schools using the Evidence Based Funding (EBF) program finalized in 2018. Under this new funding model, the District does not expect to see any increases in state revenues. It is expected that state funding will remain flat, and may decrease if District enrollment declines. While a property tax freeze has not materialized, discussion is ongoing at the state level. A property tax freeze remains a very real threat to the District.

Another lingering financial threat from the State is the pension reform measure. If it does pass, the State Legislature may assess school districts the normal portion cost of the TRS pension which could amount to over \$2 million a year in new expenses to the District shifted from the State of Illinois.

Using Values-Based Budgeting, we will continue to focus our budget decisions to meet the changing needs of our students, strengthen the financial solvency of the district, and continue providing an excellent education for our students during difficult financial times. Students and their learning always remain paramount. Equity is paramount.

We are still under the grip of tax caps that do not keep up with the increased costs of supplies, energy, services, health benefits and employee compensation. This year's budget is subject to the restrictions of the 2017 CPI of 2.1% and a 2018 CPI of 1.9%. CPI has increased slightly

over the past few years, but even these higher CPI percentages are less than the District's annual increases in labor costs and health care costs.

In response to the goals adopted by the school board, I am recommending the following strategies reflected in this budget:

- Continue to our Equity work and addressing racial disparities in achievement with the staff, students and greater Evanston community and expand initiatives to increase and improve equitable learning opportunities to benefit all students.
- Improve the learning experience by raising the academic expectations implementing honors challenge courses in all departments.
- Identify and implement strategies to address black male achievement and success.
- Use multiple measures and a new sophisticated assessment system aligned to ETHS predictors by more precisely identifying and monitoring each student's college and career readiness. Use that individualized data to counsel and advise students and their parents for post-secondary planning and transitioning.
- Continue our one-to-one technology program by equipping all incoming freshmen with a new Chromebook computer.
- Continue our exciting partnership and increasing skill development with Northwestern University involving STEM and other cutting-edge learning opportunities for our students and staff.
- Continue our numerous partnerships with Northwestern University in the arenas of research, cooperative programs, and college scholarship opportunities.
- Continue our Geometry in Construction classes and partnerships with the community, Evanston businesses, the City of Evanston and Community Partners for Affordable Housing who are providing assistance with this program.
- Continue our Algebra in Entrepreneurship class and continue to partner with our business community to expand this exciting learning format.
- Continue strengthening our System of Supports for our students, a commitment providing personalized support to raise achievement for all students, including our Academic Intervention Team, Freshman Advisory Study Halls (FASH), Wildkit Academy, Academic Study Centers, Hub Student Center, College and Career Counseling, Y.O.U. and Y.J.C. on-site partnerships, team ASAP, freshman and new student transition program and more.
- Increase interventions that will increase student well-being such as support during hospitalizations, support for transitions, ETHS transition house, ETHS Day School, grief support, Restorative Justice, alternatives to suspension, conflict resolution, developing soft skills that build confidence and success in life, nutrition and more.
- Continue to participate actively in Evanston Cradle to Career to bring about systemic and equitable change in our community.

In addition to all these important improvements, the district will continue to invest in textbooks and instructional materials, technology, preventive maintenance, our outstanding extracurricular and athletic programs, AVID, STAE, AP classes, chem/phys, the fine and performing arts, career education, counseling, social work, health services, our planetarium, facility upgrades, the fine and performing arts, and so much more that defines an ETHS investment in education.

The information included in the budget document is structured to meet the requirements of the Distinguished Budget Presentation Award of the Government Finance Officers Association (which the District is awaiting notification for its FY 2018-19 Budget). To receive this award the District must publish a budget document that has elements of the budget: a policy document, an operations guide, a financial plan, and a communications medium. GFOA has recently revamped its school budget award program, and in order to receive this award in future years, the District may need to change some of its reporting format. While this award is a great accomplishment, our most important concern in the presentation of the budget data is to assure the quality and transparency of information provided to our community for the FY 2019-2020 fiscal year.

What continues to be of concern with this Final Budget is again not what is known but what is **not** known. While some issues such as the new Evidence Based Funding have been resolved, we do not know what legislature will eventually decide about teacher pensions and what District costs might be. We do not know if interest rates will continue to increase, and if/when a property tax freeze will be mandated. Because of these significant unknowns, close monitoring of economic and political events over the next year will continue to be critical.

Evanston Township High School is one of the premier, most competitive high schools in the nation, ranked in the top 1-2% of all high schools. This budget reflects the high value we place on educating all students, on raising academic achievement for all students, and on achieving the goals of the district. I am pleased to recommend this values-based budget for your consideration. We are committed to maintaining the strongest financial position at ETHS District 202.

Sincerely,

Eric Witherspoon, Ph.D.
Superintendent

EXECUTIVE SUMMARY**

FINANCIAL OUTLOOK FOR FY 2020

The financial outlook for FY 2020 is that the District will continue to budget within its limited resources. The economy is still recovering and the CPI for FY 2019 is 2.1% and for FY 2020 will be 1.9%. A property tax freeze is still a very real threat to District revenues, and was discussed at a state level as recently as May 2019.

The total operating expense budget proposed for District 202 is \$79,205,000. This includes all operating funds and represents a 3.8% increase from FY 2019.

EDUCATION FUND: The Education Fund is the general operating fund of the District. It accounts for all financial resources except those required to be accounted for in another fund. This fund is primarily used for most of the instructional and administrative aspects of the District's operations. Budgeted revenues for FY 2020 are \$69,800,000 and expenditures are \$69,800,000. This represents an expenditure increase of 4.1% over the FY 2019 Education Fund budget and will result in a balanced budget for FY 2020.

OPERATIONS AND MAINTENANCE FUND: The Operations and Maintenance Fund provides funding for the operation and maintenance of the Districts buildings and grounds. Budgeted revenues for FY 2020 are \$7,820,000 and expenditures are budgeted at \$7,820,000. This represents an expenditure increase of 2.4% from FY 2019.

TRANSPORTATION FUND: The Transportation Fund is a Special Revenue fund that accounts for expenditures made for student transportation. Budgeted revenues for FY 2020 are \$1,225,000 and expenditures are budgeted at \$1,225,000. This budget is almost identical to the FY 2019 budget.

IMRF/SOCIAL SECURITY FUND: The IMRF Social Security Fund is a Special Revenue fund that accounts for expenditures made for employee retirement expenses. Budgeted revenues for FY 2020 are \$3,420,000 and expenditures are \$3,420,000. This is an increase of 9% from FY 2019 mostly due to increased IMRF rates, and Social Security/Medicare taxes due on increased salaries.

BOND AND INTEREST FUND: The Bond and Interest Fund accounts for the accumulation of resources for, and the payment of, long-term debt principal, interest and related costs. Budgeted revenues for FY 2020 are \$2,752,000 and expenditures are \$2,752,000. This a decrease of 5.5% from the FY 2019 budget.

FINANCIAL OUTLOOK FOR FY 2020 (CONTINUED)

WORKING CASH FUND: The Working Cash Fund is a Special Revenue fund that accounts for financial resources held by the District to be used as temporary inter-fund loans for working capital requirements to the Education Fund, the Operations and Maintenance Fund, and the Transportation Fund. Budgeted revenues for FY 2020 are \$0 in interest income. Interest rates have been so low that the District typically does not see interest on funds kept in working accounts. Interest that is received in the comingled account is allocated to other funds.

CAPITAL IMPROVEMENTS FUND: The Capital Improvements Fund accounts for the capital expenditures financed through various debt issuances. Funds will be spent over two years and details begin on page 151 of this report

TORT FUND: The Tort Fund will have revenues of \$360,000 and expenditures of \$360,000. This is a fund required by state law.

FINANCIAL STRATEGIES FOR FY 2020:

Several financial strategies will be employed for FY 2020:

Constant Monitoring of State of Illinois issues: The District will continue to monitor the State's issues so reductions can take place as soon as any funding source changes. The State's new Evidence Based Funding formula should provide level funding as compared to FY 18 and FY19. No increases are expected. Decreases could occur in future years if enrollment declines.

Contractual and Consulting Services Reductions: The District continues to try control these costs.

Energy and Water Conservation: The District is determined to continue to improve the sustainability of its facilities. A key management issue will be to conserve both the use of water and energy. Continuing the four-day summer school and purchasing natural gas futures on the open market will continue to curb increases in the District's energy budget. The District is also replacing most of its exterior lighting with LED energy efficient lighting and securing State grants for much of the retrofit.

Capital Improvements: New capital improvement purchases will assist in providing lower operating costs with new roofs which will reduce increasing maintenance costs.

Wellness Initiative: The wellness initiative will assist the District in starting to control its long-term health insurance costs.

District Goals

2017-2022

Goals Approved by the

Board of Education on:

May 23, 2016

Outcomes and Measures for Goals 2, 3, 4

Approved by the Board of Education on:

April 24, 2017

Goal 1: Equitable and Excellent Education

ETHS will increase each student's academic and functional trajectory to realize college/career readiness and independence. Recognizing that racism is the most devastating factor contributing to the diminished achievement of students, ETHS will strive to eliminate the predictability of academic achievement based upon race. ETHS will also strive to eliminate the predictability of academic achievement based upon family income, disabilities and status as English language learners.

Outcomes and Measures*	
100 percent college ready and/or workforce ready, and/or independent.	Multiple Measure Model of College Readiness specific to ETHS students' persistence into a second year of college. This model will be back-mappable.
	Career and Workforce Ready Metric
	Indicator 14 and Annual Follow Up

*Approval of measures for Goal 1 pending further research and analysis with Northwestern University.

Goal 2: Student Well-being

ETHS will connect each student with supports to ensure that each student will experience social-emotional development and enhanced academic growth.

Outcomes and Measures	
100 percent of students are present 95 percent or more per school year.	Student attendance tracking reported by race, IEP, ELL, income.
100 percent of students do not receive a behavioral referral.	Behavioral data reported by race, IEP, ELL, income.
100 percent of students will maintain or increase their GPA.	GPA monitoring reported by race, IEP, ELL, income.
100 percent of students will participate in extra-curricular activities.	Participation reported by race, IEP, ELL, income.
100 percent of students have improved social-emotional wellness including awareness of and access to appropriate social emotional supports.	Develop a set of intervention sensitive well-being outcomes and use appropriate multiple measures including a student survey.

Goal 3: Fiscal Accountability

ETHS will provide prudent financial stewardship.

Outcomes and Measures	
Maintain the district's AAA bond rating.	<ul style="list-style-type: none"> Annual monitoring of the budget to assure budget compliance and budget stays within revenue levels.
Maintain the District's comprehensive Financial Recognition Rating from the State of Illinois. Continue our practice of regular periodic evaluation of cost-effectiveness of expenditures.	<ul style="list-style-type: none"> Submit balanced annual operating budget to the Board of Education. Continue Mid-Year budget analysis of expenditures and annual Capital Improvement Plan review to assure regular evaluation of expenditures and infrastructure.
Maintain the district's transparency of financial reporting to the community and the taxpayers.	<ul style="list-style-type: none"> Annual receipt of the national GFOA Certificate of Excellence in Financial Reporting award and the Nat'l Assoc. of School Business Officials Certificate of Excellence in Financial Reporting award. Annual receipt of the national GFOA Distinguished Budget Presentation award. Annual receipt of the national GFOA Popular Financial Report award. Annual compliance with District adopted financial policies.
Seek stable and adequate annual funding from multiple revenue sources including local, state, and federal sources.	<ul style="list-style-type: none"> Participation in Ed Red, Community Legislative Task Force, state and local grants, and maintain contact with legislators.

Goal 4: Community Engagement and Partnerships

ETHS will strengthen parent/guardian relationships to create an effective continuum of learning and seamless transitions into and out of ETHS.

Outcomes and Measures	
100 percent of partnerships are aligned to and contribute to the attainment of District Goals.	District Goals/Partnerships Matrix
100 percent of parent/guardians demonstrate involvement with ETHS.	Parent Involvement Measure that includes but is not limited to participation in parent groups, school events, utilizing Home Access Center, parent teacher conferences.
100 percent of students meet freshman on track indicator.	ISBE on track indicator.

REVENUE SUMMARY

The operating revenue budget proposed for District 202 is \$79.2 million. This includes all operating funds – Education, Operations and Maintenance, Transportation and Working Cash Funds. This represents a 3.8% increase from FY 2019. The increase is primarily due to the retirement of the Washington National TIF District and some new property development, both of which cause property tax increases.

For the operating funds, property taxes continue to be the largest source of revenue consisting of 84 % of all revenues (see chart). The next largest revenue category at 5% is other local revenues.

PROPERTY TAXES: Evanston property owners pay property tax to multiple entities including District 202. The District's portion of the total property tax bill is slightly more than 25%. This percentage of the total Evanston tax bill has remained constant but slightly reduced for the last five years.

Property taxes represent 84% of the total operating funds of the District. The operating funds consist of the Education, Operations and Maintenance, Transportation and Working Cash funds. In addition, property taxes are collected to pay for the Bond and Interest Fund which pays for the annual debt service on outstanding bonds and the IMRF fund which pays for retirement benefits for non-certified staff.

District 202 is a non-home rule form of government in Illinois and, as such, is subject to property tax caps. Those caps restrict the growth of the amount of property taxes collected to 5% or the Illinois Consumer Price Index – whichever is lower. The Consumer Price Increase (CPI) that is used under the tax cap formula is 2.1% for the 2018 levy and 1.9% for the 2019 levy. A property tax freeze is currently being considered by Illinois legislators but was not included as part of the recently passed 2019-20 State budget.

Total property taxes to be received this year are estimated to be about \$72.8 million. Property taxes for the operating funds are \$66.7 million for FY 2020.

REVENUE SUMMARY - CONTINUED

CORPORATE PERSONAL PROPERTY REPLACEMENT TAX (CCPRT): The corporate property replacement (CPRT) tax is part of the state income taxes that are collected and generally reflects the state of the Illinois economy. This tax is allocated to the Education, Operations and Maintenance, IMRF and Transportation Funds. For FY 2020, the tax is estimated revenue is \$1.7 million.

OTHER LOCAL REVENUES: Other Local Revenue is generated from tuition, interest on investments, food service income, student fees, and other local revenues. The total amount of Other Local Revenues is projected to remain relatively flat. The amount budgeted for other local revenues is \$3,726,000.

GENERAL STATE AID: General State Aid has been changed to the new Evidence Based Funding (EBF) model. This revenue stream includes what was formerly paid as General State Aid, TBE/TPI (Bilingual) grant, Special Ed Personnel and Special Ed Extraordinary grants. Overall. This revenue source will remain flat for FY20.

STATE CATEGORICAL AID: State Categorical Aid consists of monies received from the state that are aimed at specific needs and programs. These include such things as Special Ed Room and Board, Transportation, and some Bilingual Programs. Revenues for FY20 are flat compared to FY19. This is expected to be the case most years, and may even decline.

FEDERAL AID: Federal Aid represents the amount received from the federal government such as Title I/II funds as well as food subsidy funds. The District also receives IDEA money and DHS (Department of Human Services) funding. Total funding for FY 2020 is expected to decline slightly.

EXPENDITURE SUMMARY

The operating expenditure budget proposed for District 202 is \$79.2 million. This includes all the operating funds – Education, Operations and Maintenance, Transportation and Working Cash funds. This represents a 3.8% increase over FY 2019.

For the operating funds, salaries and benefits continue to dominate the costs. Salaries represent 68% (see chart) of the budget and fringe benefits are at 9%. This means 77% of the budget is personnel cost related. The next highest categories are purchased services at 8%, tuition at 5%, and supplies and materials at 5% of costs.

Salaries: Salaries are mainly determined by the labor contracts that are in place at the District. The total salaries are estimated to be \$53.6 million. This represents an overall increase of 2.3% for FY 2020.

Fringe Benefits: The benefits provided to our employees include health insurance, life insurance, optional dental insurance, and Social Security, Medicare, and pension expenses. Health insurance alone, the District's largest benefit expense, is expected to increase moderately for FY 2020. This increase is only calculated for half of the fiscal year because health insurance contracts are based on the calendar year not our fiscal year. This District also continues to subsidize retiree health insurance by allowing IMRF retirees into the District's plan and pays a payment to retirees for a portion of their premium. Total fringe benefit expenses are estimated to be \$7.05 million which is an increase of 4.12% for FY 2020.

Purchased Services: Purchased services expenditures for FY 2020 are estimated to be \$6.91 million, an 11% increase from FY 2019. This is due mainly to some reclassifications of expenses from supplies to purchased services, and items necessary due to increases in enrollment. There are also some increases in insurance costs. The District is trying to maintain the significant budget reductions made here in previous years. Major efforts have been made to reduce energy costs by entering into futures contracts to hedge the cost of electricity.

Supplies and Materials: Supplies and materials are estimated to decrease by 2% for the FY 2020 budget for a total of \$3.64 million. Once again the District is trying to keep costs down in this expense category and significant reductions have been made.

EXPENDITURE SUMMARY - CONTINUED

Capital Outlay: Capital outlay expenditures for FY 2020 (in the Ed and O&M Fund) amount to \$1.42 million which is .5% decrease from FY 2019.

Other Objects: Other objects expenditures for FY 2020 are \$2.27 million which represents a 646% increase from FY 2019. The reason for this major increase is a \$2 million set aside transfer that can be used for capital purposes, due to the expiring TIF.

Tuition: Tuition is expected to decrease by 21% to \$4.24 million for FY 2020. Significant reductions have taken place in the past few years due to decreased off campus placements. This also reflects the opening of the ETHS public Day School, which will result in less outside tuition paid.

EDUCATION FUND

The Education Fund is the general operating fund of the District. It accounts for all financial resources except those required to be accounted for in another fund. This fund is primarily used for most of the instructional and administrative aspects of the District's operations. Budgeted revenues for FY 2020 are \$69.8 million and expenditures are \$69.8 million. This represents an expenditure increase of 4.1% over the FY 2019 Education Fund budget. This increase in budget is due to wage increases and some staff additions due to enrollment increases, and the opening of the ETHS Day School.

What follows is a detail of the revenues, expenditures and description of the activities of the major departments. The expenditures are organized by functions which are:

- Instruction 1000
- Support Services 2000
- Community Services 3000
- Non-programmed Charges 4000

WORLD LANGUAGES

1011300103

Description of Major Activities:

The World Languages department is responsible for providing instruction in eight (8) world languages to over 2000 students every year. The department goals are to promote and develop language acquisition and effective communication skills in the languages offered: American Sign Language (1-3 Honors), Chinese (1-2 Honors), French (1-5 Advanced Placement), German (1-4 AP), Hebrew (1-5 Advanced Language and Literature), Japanese (1-4 Honors), Latin (1-4 AP), Spanish (1-5 AP) and Spanish for Heritage Learners (1-4AP). Facilities include a 60-station state-of-the-art language laboratory (2006) in which students practice listening and speaking skills in the world language(s) they are studying. Among the cultural and enrichment activities students can participate in are foreign exchange programs with students of their target language and country, other educational travel, plus field trips and guest speakers locally. Our students also compete in regional and national language examinations and contests, as well as the Advanced Placement examinations in six (6) languages.

Budget Goals:

Improve student achievement and support teachers in their professional growth.

SCIENCE

1011300105

Description of Major Activities:

The Science department is large, 32 faculty, and is responsible for instruction in three different disciplines, Biology, Chemistry and Physics as well as a variety of other science electives. It is a core academic area and the high school requires that every student pass one biology course and one other science course, which is usually chemistry but may include other options like physics, geosciences or astronomy. There are currently 4 levels of science classes (1, 2, honors and AP) as well as a “fast track” Chemistry/Physics program for accelerated science students. All science courses are 1-year courses with a lab component but the period requirement varies. There are 5 period a week classes, 7 period a week classes and 10 period a week classes. In addition, the science department promotes student research and science activities in a variety of ways.

This year Earned Honors Biology, mainly aimed at freshmen, will be a high priority for the department. Another new program will be the new STEM partnership with Northwestern University.

A team of faculty members guide student research during the school year so that some individuals have research experiences and are able to compete nationally in high school science competitions like Siemens. (We have published research from the high school in the Journal of Pediatrics). Many teachers work independently with entire classes of students to enter essay contests like Dupont. Other teachers work with extracurricular science clubs and competitions like JETS, Science Olympiad, Bridge Building, etc. The science department created and supports The Nature Center, a large ecological study area next to the football field. We also support the Planetarium in the East-South courtyard. Supporting research, two major study areas (Planetarium and Nature Center) and daily laboratory activities in every science class requires large supply budgets for this department to operate effectively.

FINE ARTS

1011300114

Description of Major Activities:

The Fine Arts Department is divided into three domains; Visual Arts, Speech Arts, and Music.

Visual Arts:

The foundation class for most visual art courses is One Art. This is a foundation semester class. Second level visual art offerings include: painting, drawing, 3-D sculpture, global electives, cartooning, photo, animation, and ceramics.

Graphic Design and Graphic Communications are offered for either Fine Art or AST credit and do not require One Art as a prerequisite.

Speech Arts:

Within Speech Arts are the disciplines of Theater, Broadcast Journalism, and Debate/Public Speaking.

Theater:

ETHS provides students with the opportunity to perform in 4 to 5 plays per year. Theater classes are not required for participation in extracurricular plays but are encouraged.

Broadcast Journalism:

This is new curriculum at ETHS and currently features a capstone class, KIT TV News; a student produced weekly news programs broadcast via the Internet.

Debate/Public Speaking:

Classes feed into Extra-curricular Debate teams and Public speaking teams.

Music:

Within Music are the disciplines of **Vocal, Orchestral, and Band.**

Each one of these divisions offers classes for students at various levels of achievement. Many students are study within one division for 4 years, and frequently move between disciplines.

Students are also provided many opportunities for extra and co-curricular participation each musical area.

ACADEMIC SUPPORT PROGRAM

1011300198

Description of Major Activities:

Evanston Township High School’s System of Supports (SOS) was created to allow every student to meet high expectations, with the goal of increasing academic performance for all ETHS students through personalized help from faculty, staff and parents. SOS provides a structure to assist all students in improving academically and becoming responsible, self-directed learners. This support is intended to be personal, responsive to the individual student’s specific needs, timely, and tenacious. The System of Supports model presents tiered supports to address both academic and behavioral needs.

Academic Supports

Tier 1: Classroom-Based or Universal Supports

Tier 1 is the foundation of good teaching for all students at ETHS, aimed at achieving both equity and excellence for all students. That foundation of good teaching is based on the belief that that every student can succeed academically, given the right amount of time and support.

Tier 2: Targeted, Programmatic, or Small-Group Academic Interventions

If Tier 1 supports are not sufficient to serve the needs of a student, then a Tier 2 intervention is considered. Targeted interventions in Tier 2 often – though not always – occur in small group settings that offer support which supplements support already provided to all ETHS students. Counselors are responsible for facilitating discussions and Tier 1 documentation is required for consideration. Parents, teachers or other interested adults may direct questions about Tier 2 to the student’s counselor or social worker.

Tier 3: Intensive Individual Academic Interventions

If Tier 1 and Tier 2 interventions and supports do not sufficiently further academic success, individual plans may be created that are particular to the individual student’s needs. Students identified as requiring Tier 3 interventions are referred to the Director of Special Education or the Assistant Superintendent/Principal by the Pupil Personnel Services Team, Student Services Team, Intervention Advisory Team, or Associate Principal for Educational Services.

BILINGUAL

1018000194

Description of Major Activities:

The Bilingual program is designed to meet the needs of English language learners (ELLs). These are students who speak a language other than English as their first or home language. Through our program, ELL students learn English as a second language, become familiar with American culture and receive individual tutoring and academic counseling, so they can succeed in all courses offered in the total school program. Courses offered in the Bilingual Program include English as a Second Language (ESL 1, 2, 3), Algebra, Geometry, World History, U.S. History, Biology, Chemistry, ESL Transition Support and Summer ESL Enriched. Spanish Language/Culture for Heritage Learners (SHL 1-4AP) is available for students whose first or home language is Spanish.

The Bilingual Coordinator works to encourage and increase parent involvement. Parent outreach meetings and activities are conducted at least quarterly. Students participate in field trips to local museums and other educational enrichment activities that enhance their language acquisition and cultural awareness.

Facilities used by the program include a 12-computer laboratory dedicated to use by students in the Bilingual Program. Weekly access to the World Languages Laboratory is also provided for ESL and SHL students.

Budget Goals:

Improve student achievement and support teachers in their professional growth.

SOCIAL WORK SERVICES STUDENT SERVICES DEPARTMENT

1021100123

Description of Major Activities:

The Student Services Department provides a comprehensive developmental counseling program to meet the academic, social/personal, and college/career needs of students.

Social workers focus primarily on students' social/personal development. Through individual and topic-specific group sessions, social workers have confidential meetings with students. Social workers, in collaboration with members of the P.E. and Health Department, also address issues such as test anxiety, stress and health issues.

In partnership with other educators, parents/guardians, and the community, the Student Services professionals strive to ensure that all students at ETHS develop the skills, knowledge, and understanding necessary to be successful in our changing society.

Description of Major Activities:

The Student Assistance Program (SAP) social worker has primary responsibility for Substance Prevention Services, although many at ETHS, including counselors, grade-level social workers, psychologists, deans, and members of the Physical Education/Health and Science Departments, also play roles. The SAP social worker is a member of the Student Services Department and:

- Provides education about the use and abuse of substances.
- Provides assessment, prevention, intervention, consultation and referrals for students and/or families.
- Oversees the ETHS Social Work Referral Form (for concerns of teachers).
- Collaborates on the Social Norms Marketing campaigns and helps conduct annual surveys with students and parents/guardians.
- Leads the School Team for Substance Abuse Prevention.
- Serves as a liaison with PEER Services, the National Alliance on Mental Illness Cook County North Suburban, and other community agencies.
- Oversees the Peer Jury and collaborates with the deans and the Safety Department on restorative justice.

The SAP social worker also has responsibility for other professional tasks that usually are not directly related to substance prevention.

COLLEGE/CAREER CENTER STUDENT SERVICES DEPARTMENT

1021200145

Description of Major Activities:

The staff in the College/Career Center (CCC) is responsible for providing services to students, parents, and the Evanston community, using comprehensive post-secondary resources.

A counselor is designated to be the coordinator of CCC. The post-secondary counselor works with students and parents, whose first language is not English; with first-generation college-bound students; with undocumented students; and with students who plan to enter the workforce after graduation. Within the context of that mission, the College Career Center does the following:

Maintain a library of books, catalogs, brochures, software, and other post-secondary reference materials.

Develop and present for students, faculty, parents and the community a broad range of post-secondary related programs. All programs are tailored for targeted audiences. For example:

College Workshop for Parents of Seniors
College Workshop for Juniors and Parents
Campus Visit Workshops
FAFSA (financial aid assistance)
Financial Aid Workshops for Juniors, Seniors, Freshman and Sophomores
Job Shadowing program
Career Day programs
(various other programs)

Principal and initial contact between all colleges and ETHS

Liaison for all college representatives and all college visits to ETHS.

The College/Career Center also has all materials sent to ETHS relating to colleges, careers, student opportunities, scholarships, internships, summer programs, events of interest to students, military options, and support for services related to job search and job preparation.

ETHS District 202

Nutrition Services Department

1025600173

Description of Major Activities:

The ETHS Nutrition Services Department is responsible for providing ETHS students and staff nutritionally balanced meals that meet all state and federal National School Breakfast and Lunch Program guidelines.

The Nutrition Services Department also operated the following:

- 3 Student Cafeterias
- One faculty/staff cafeteria
- Full service catering
- Prepares about 2000 meals each day for the District 65 Elementary Schools and other additional preschools/alternative schools in the Evanston area

Goals, Objectives and Performance Measures

Board Goal: Assure that the District remains financially solvent and that financial decisions consider student achievement and performance

1. Investigate Illinois State Board of Education's After School Snack Program and Dinner Program
2. Increase catering sales by reinforcing the ETHS Campus Catering program is the exclusive caterer for the district, while also marketing our facility to customers outside the district for more revenue.
3. Increase the average daily breakfast and lunch participation
4. Create Garden Fundraising Program using harvest from Edible Acre.
5. Become more "green" by finding alternatives for all styrofoam packaging.
6. Educate students on nutrition and healthy food choices available in the cafeteria; through regular classroom, cafeteria and student visits.
7. Investigate and market all local products being used in the cafeterias.

TORT FUND

The Tort Fund is a Special Revenue fund that accounts for expenditures related to insurance for both property and workers' compensation. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

The Tort Fund provides funds for:

- Premiums on property, liability and workers' compensation insurance policies
- Payments made for liability settlements
- Related expenditures

The funding for much of the Tort Fund is from property taxes. Those taxes, however, do not cover all the costs related to the District's insurance needs.

Budgeted revenues for FY 2020 are \$360,000 and expenditures are also budgeted at \$360,000.

GOALS:

- Continue to promote safe practices to reduce workers' compensation claims.
- Continue to promote safe practices to reduce liability claims.
- Continue to utilize nurse review program with our insurance consortium CLIC

OPERATIONS AND MAINTENANCE FUND

The Operations and Maintenance Fund is a Special Revenue fund that accounts for expenditures made for repair and maintenance of the District's buildings and land. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

The Operation and Maintenance Fund provides funds for:

- employees who provide those services
- materials, supplies and energy to operate the facility
- specific building improvements that are required

Most of the funding for the Operations and Maintenance Fund is from property taxes. There is also revenue from the corporate property replacement tax as well as rental income and other miscellaneous revenues.

Budgeted revenues for FY 2020 are \$7.82 million and expenditures are budgeted at \$7.82 million. This is a 2.4% increase over FY 2019.

GOAL: OBJECTIVES AND PERFORMANCE MEASURES

BOARD GOAL: Provide consistent and stable financial stewardship assuring: excellent education and opportunity for each student; reasonable property taxes; leveraging and optimizing resources; and values-based, cost effective allocation of resources

DEPARTMENT OBJECTIVES:

- In compliance with the local, state and federal laws and regulations provide a safe, clean and comfortable learning and working environment for the District's students, teachers, administrators and the support staff.
- Maintain aesthetic appearance and structural integrity of the District's buildings and grounds.

PERFORMANCE MEASURES:

- Reduce District's carbon footprint in conjunction with the City's strategic goal
- Complete the Capital Improvements projects on time within the Board approved budget.

BOND AND INTEREST FUND

The Bond and Interest Fund accounts for the accumulation of resources for, and the payment of, long-term debt principal, interest and related costs. The primary revenue source is local property taxes levied specifically for debt service.

The District has \$28.6 million in outstanding debt.

Budgeted revenues for FY 2020 are \$2.75 million and expenditures are \$2.75 million.

GOAL: OBJECTIVES AND PERFORMANCE MEASURES

BOARD GOAL #3: ETHS will provide prudent financial stewardship.

TRANSPORTATION FUND

The Transportation Fund is a Special Revenue fund that accounts for expenditures made for student transportation. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

The Transportation Fund provides funds for:

- Transportation of off-campus special education students;
- Transportation of student athletes to sporting events;
- Transportation for student field trips.

Half of the funding for the Transportation Fund is from property taxes and the other half comes from state transportation funding. There is also other miscellaneous revenue.

Budgeted revenues for FY 2020 are \$1.22 million and expenditures are budgeted at \$1.22 million. This represents a slight decrease from the FY 2019 budget.

GOAL: OBJECTIVES AND PERFORMANCE MEASURES

BOARD GOAL #3: ETHS will provide prudent financial stewardship.

Strategies:

- Continue to analyze use of purchased buses to reduce overall transportation costs.
- Promote District installed electric charging station from local car dealership.
- Search for cost effective, reliable bus transportation

CAPITAL IMPROVEMENTS FUND

The Capital Improvements Fund accounts for major projects through bond issues and monies raised specifically for such purposes. The Board reviews and approves an annual Capital Improvements Budget and a five-year plan.

FY2020 expenditures will total approximately \$5 million or less. The funding sources are the 2020 debt certificates, which the District will issue in the Spring of 2020, fund balance, transfers from the O&M fund, and funds raised by the ETHS Foundation.

Capital expenditures for the District are items that are over \$2,500 in value and have a useful life of over one year.

The 2018-22 Capital Improvement Program Plan was updated in the fall of 2018.

Re: FY 2018-22 Capital Improvement Program

ISSUE

This is the District’s proposed Capital Improvement Program (CIP) for FY 2019 through FY 2022 (with a recap of 2018). It is a comprehensive examination of the District’s infrastructure needs and a financing plan to address as many of those needs as the District can afford.

This memo will address the following related topics:

- General Background
- Sources
- Bond Issuance
- Capital Improvements

GENERAL BACKGROUND

A CIP is a prioritized comprehensive approach to addressing the infrastructure needs of the District. It is considered a “best practice” in local government literature and is a required part of the national Government Finance Officers Association Distinguished Budget Awards program.

The CIP is a five-year plan for capital improvements for a governmental organization. The first year is funded and the other four years are provided as a roadmap for future capital expenditures. There are six major reasons often cited for capital budgeting. They are:

- The stakes are high as the improvement of capital infrastructure is very expensive and special planning, financing, and managing are needed to ensure that the projects and acquisitions are needed, well designated and efficiently implemented.

- The decisions extend for years and most of the assets acquired will have useful lives of twenty years or beyond.
- The spending will vary from year to year depending on the project. Different projects will have different costs that will vary greatly from year to year.
- Implementation takes time as projects need to be coordinated and for many projects planning and implementation can occur over several years.
- Debt financing is often used and requires planning that must provide for comprehensive financing planning.
- Capital project differ from year to year and that must be taken into consideration to plan for everything from financing to implementation to maintenance.

Prioritization of capital improvements is always an issue. There will always be a struggle between the needs of the classroom and the general maintenance of the building envelope of the school and its basic operating systems.

The question is often asked, “What is a capital expenditure?” For the purposes of the CIP the answer is that a capital expenditure is one that results in the acquisition or addition to a capital asset or fixed asset as it is often referred to.

Fixed assets include many types of property that a local government owns and uses in its operations:

- Land or rights to the land.
- Buildings
- Additions or renovations of buildings that exceed a specified cost which generally is over \$25,000 in value that will add value to a building improve it or extend its useful life.
- Improvements to land other than buildings that exceed a specified cost which generally is over \$25,000 and add value to the land or improve its utility (such as drainage systems, parking lots, landscaping, irrigation and similar construction on land).
- Equipment, vehicles, and furnishings that have useful lives longer than one year and exceed a specified cost generally over \$25,000.

The overall goal for the District’s capital improvement effort is:

A comprehensive capital improvement program that is used by decision makers to guide capital investments, make the best use of limited resources and provide District facilities that function well and contribute to the academic achievement, public health and safety of ETHS students, teachers and staff.

To accomplish this goal, a broad set of objectives and policies has been developed to guide preparation and monitoring of the capital improvement program and are included in the budget document each year.

SOURCES

The District does not have adequate bonding capacity to adequately replenish its capital improvements needs on an annual basis. This is evidenced by the fact that the District's annual depreciation expense (from our FY 2017 audit) is just over \$3 million and our bond capacity is between \$2-3 million annually. The real capital needs of the District exceed \$6 million a year. This is one of the main reasons the administration reinstated the Foundation to assist in supporting our capital replenishment needs.

Sources of funding will come from bonds, Operations and Maintenance Fund, grants and monies raised by the ETHS Foundation. In addition, as the final major TIF District within the City of Evanston closes, additional funds (that may be used for capital purposes) will be available. Additional information on the Washington National TIF District will be provided at the November 12 Board meeting.

Due to extensive major (multi-year) projects that are necessary, it is also recommended that the Board approve a one-time use of Working Cash funds (an amount not to exceed \$2 million) for projects to be completed in summer 2019. The District currently carries over \$6 million in Working Cash funds. Additional information will be presented regarding Working Cash funds at the November 12 Board meeting.

CAPITAL IMPROVEMENTS

Attached is a comprehensive five-year projection of the proposed capital projects. The five-year plan outlines over \$32.6 million in needed capital improvements. While not all of these needs can be funded at the current time it is important to at least identify the needs and potential capital issues the District may have to address.

The Board approves the five-year plan but just the funding for the FY 2018-19 fiscal year. It is clear not all the projects on the five-year plan can be funded as there are \$32.6 million in needs and only approximately \$25.9 million in identified sources of funds.

It should be noted that the plan includes a multi-year project for Auditorium Light and Sound renovations (\$2 million over three years). This is long overdue and necessary.

RECOMMENDATION

It is recommended that the Board adopt the FY 2018 to FY 2022 Capital Improvements Plan (which amounts to \$32.6 million) and approve funding for the FY 2019 year (which amounts to \$5.8 million).

WORKING CASH FUND

The Working Cash Fund is a Special Revenue fund that accounts for financial resources held by the District to be used as temporary inter-fund loans for working capital requirements to the Education Fund, the Operations and Maintenance Fund and the Transportation Fund. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. The Working Cash Fund was funded through a bond issue. As allowed by the School Code of Illinois, this fund may be permanently abolished or become a part of the Education Fund.

The Working Cash Fund provides monies for cash flow for the Education, Operations and Maintenance and Transportation funds.
