# EXECUTIVE SUMMARY

June, 2021

To the School Board:

During these unprecedented times, we are submitting for publication the proposed FY 2022 Tentative Budget to the Board of Education and to the community. We welcome the opportunity to present and discuss instructional and operational plans and related financial impact with our Board and community, as we prepare for full in-person learning and our “new normal” for the 21-22 school year. Transparency in communicating our budget to our taxpayers in our community consistently leads to operational and educational improvements. This budget is balanced, with operating revenues matching expenditures, for the fifteenth consecutive year.

The total FY 2022 budget is \$95.9 million which is 4.8% more than the FY 2021 final budget. The operating budget is \$85.6 million which is 7.4% more than the FY 2021 operating budget. This budget includes \$2.3 million in Elementary and Secondary School Emergency Relief (ESSER) Grant funds and is the result of conservative budgeting and deliberate containment of personnel costs, most of which are determined by contractual obligations. Total ESSER Round 3 funds are \$3.7 million and will be spent over two years. Typically, the budget is 2-3% more than the previous year. This year’s budget change is higher due to ESSER funds and reductions in the FY21 budget due to COVID. This year’s budget includes a \$900,000 planned transfer to the Capital Improvements Fund for infrastructure improvements. We will monitor changing financial conditions and, if necessary, these funds can be retained in the Education Fund.

The 2021-22 year will be the fifth year in which the Illinois State Board of Education has funded schools using the Evidence Based Funding (EBF) program finalized in 2018. Under this new funding model, the District does not expect to see any increases in state revenues. Based on the recently passed State of Illinois budget, no decreases are expected either. It is expected that state funding will remain flat in future years and may decrease if District enrollment declines. Many discussions have been held regarding how funding levels will be affected if the State of Illinois fails to make its minimum required EBF funding contribution. The District faces potential loss of revenues if this occurs. In addition, while a property tax freeze has not materialized, discussions continue as the state looks to assist taxpayers seeking assistance due to the aftereffects of the pandemic. A property tax freeze remains a potential threat to the District.

Another lingering financial threat from the State is the pension reform measure. If it would someday pass, the State Legislature could assess school districts the normal portion cost of the TRS pension which could amount to over \$2 million a year in new expenses to the District shifted from the State of Illinois.

Using Values-Based Budgeting, we will continue to focus our budget decisions to meet the changing needs of our students, strengthen the financial solvency of the district, and continue providing an excellent education for our students during difficult financial times. Students and their learning always remain paramount. Equity is paramount.

We are still under the grip of tax caps that do not keep up with the increased costs of supplies, energy, services, health benefits and employee compensation. This year’s budget is subject to

the restrictions of the 2019 CPI of 2.3% and a 2020 CPI of 1.4%. CPI has increased slightly over the past few years (but dipped in 2020), but even these higher CPI percentages are less than the District's annual increases in labor costs and health care costs.

In response to the goals adopted by the school board, I am recommending the following strategies reflected in this budget:

- Implement the new block schedule in the fall of 2021.
- Expand the literacy lab supports.
- Add a social worker to enhance our therapeutic services at the Day School.
- Add an athletic trainer instead of outsourcing those services to enhance student wellbeing with a staff member who is assimilated into the culture of ETHS.
- Add a science paraprofessional to facilitate setting up science labs that will be used back-to-back with the new block schedule.
- Add two new Section 504 case managers required to fully support our students needing additional accommodations.
- Continue to our equity work and addressing racial disparities in achievement with the staff, students and greater Evanston community and expand initiatives to increase and improve equitable learning opportunities to benefit all students.
- Transform our equity training to a more deliberate antiracist agenda.
- Improve the learning experience by raising the academic expectations to include implementing honors challenge courses in all departments.
- Identify and implement asset-based strategies to address Black male achievement and success.
- Use multiple measures and a new multivariable assessment system aligned to ETHS predictors by more precisely identifying and monitoring each student's career readiness. Use that individualized data to counsel and advise students and their parents for post-secondary planning and transitioning.
- Transition to a Career Pathways Model, understanding that pathways may include college, post-secondary training, advanced certifications, or on-the-job training as examples.
- Define our Portrait of a Graduate to authentically demonstrate the value of an ETHS education and assist our students in making informed decisions about the career pathways they are pursuing.
- Continue our one-to-one technology program by equipping all incoming freshmen with a new Chromebook computer as well as a hotspot for home connectivity when needed.
- Continue our exciting partnership and increasing skill development with Northwestern University involving STEAM and other cutting-edge learning opportunities for our students and staff.
- Continue our numerous partnerships with Northwestern University in the areas of research, cooperative programs, and college scholarship opportunities. And grow our NEERA partnership with NU and D65.
- Continue our Geometry in Construction classes and partnerships with the community, Evanston businesses, the City of Evanston and Community Partners for Affordable Housing who are providing assistance with this program.

- Continue our Algebra in Entrepreneurship class and continue to partner with our business community to expand this exciting learning format.
- Continue our support of the Mayor’s Employers’ Advisory Committee (MEAC) that is providing career exploration, shadowing opportunities, internships and job placement for our students.
- Continue strengthening our System of Supports for our students, a commitment providing personalized support to raise achievement for all students, including our Academic Interventionists, Wildkit Academy, Academic Study Centers, Freshman and Sophomore Study Halls with Support, Hub Student Center, College and Career Counseling, Y.O.U. and Y.J.C. on-site partnerships, team ASAP, freshman and new student transition program and more.
- Increase interventions that will increase student well-being such as support during hospitalizations, support for transitions, ETHS Transition House, ETHS Day School, grief support, Restorative Justice, alternatives to suspension, conflict resolution, developing soft skills that build confidence and success in life, nutrition and more.
- Expand our Acknowledge, Care, Tell (ACT) initiative to enhance student and staff well-being.
- Continue to participate actively in Evanston Cradle to Career to bring about systemic and equitable change in our community.

In addition to all these important improvements, the district will continue to invest in textbooks and instructional materials, technology, preventive maintenance, our outstanding extracurricular and athletic programs, AVID, STAE, AP classes, chem/phys, the fine and performing arts, career education, counseling, social work, health services, our planetarium, facility upgrades, and so much more that defines an ETHS investment in education.

What continues to be of concern with this budget is again not what is known but what is **not** known. We do not know what legislature will eventually decide about teacher pensions and what District costs might be. We do not know how the current economic downturn will ultimately affect interest rates, and if a property tax freeze will be mandated. But most urgent are all the unknowns caused by the COVID-19 pandemic and the unknown needs and costs looming in the future. Because of these significant unknowns, close monitoring of economic and political events over the next budget year will continue to be critical.

Evanston Township High School is one of the best, most competitive high schools in the nation, ranked in the top 3% of all high schools. This budget reflects the high value we place on equitably educating all students, on raising academic achievement for all students, and on achieving the goals of the district. I am pleased to recommend this values-based budget for your consideration. We are committed to maintaining the strongest financial position at ETHS District 202.

Sincerely,

Eric Witherspoon, Ph.D.  
Superintendent

**EVANSTON TOWNSHIP HIGH SCHOOL  
FY 2021-22 TENTATIVE BUDGET  
EXECUTIVE SUMMARY**

**FINANCIAL OUTLOOK FOR FY 2022**

The financial outlook for FY 2022 is that the District will continue to budget within its limited resources, and must also address recovery issues associated with the COVID-19 pandemic. The full economic impact is still unknown, but the CPI (as it relates to the property tax levy) for FY 2020 was 2.3% and for FY 2021 will be 1.4%. A property tax freeze is still a very real threat to District revenues, particularly as lawmakers look to give constituents some relief as recovery from the pandemic.

The total operating expense budget proposed for District 202 is \$85,600,000. This includes all operating funds and represents a 7.4% increase from FY 2021. Typically, the budget is 2-3% more than the previous year. This year's budget change is higher due to ESSER funds and reductions in the FY21 budget due to COVID.

**EDUCATION FUND:** The Education Fund is the general operating fund of the District. It accounts for all financial resources except those required to be accounted for in another fund. This fund is primarily used for most of the instructional and administrative aspects of the District's operations. Budgeted revenues for FY 2022 are \$75,150,000 and expenditures are \$75,150,000. This represents an expenditure increase of 6.7% over the FY 2021 Education Fund budget and will result in a balanced budget for FY 2022.

**OPERATIONS AND MAINTENANCE FUND:** The Operations and Maintenance Fund provides funding for the operation and maintenance of the District's buildings and grounds. Budgeted revenues and expenditures for FY 2022 are \$8,870,000. This represents an expenditure increase of 12.2% from FY 2021 and includes \$800,000 in aid.

**TRANSPORTATION FUND:** The Transportation Fund is a Special Revenue fund that accounts for expenditures made for student transportation. Budgeted revenues and expenditures for FY 2022 are \$1,235,000. This budget is 19.4% higher than FY 2021.

**IMRF/SOCIAL SECURITY FUND:** The IMRF Social Security Fund is a Special Revenue fund that accounts for expenditures made for employee retirement expenses. Budgeted revenues and expenditures for FY 2022 are \$3,400,000. This is flat from FY 2021.

**BOND AND INTEREST FUND:** The Bond and Interest Fund accounts for the accumulation of resources for, and the payment of, long-term debt principal, interest and related costs. Budgeted revenues and expenditures for FY 2022 are \$3,368,000 and is flat from FY 2021. Bonds will be issued in the spring of 2022 to finance future capital projects.

**EVANSTON TOWNSHIP HIGH SCHOOL  
FY 2021-22 TENTATIVE BUDGET  
EXECUTIVE SUMMARY**

**FINANCIAL OUTLOOK FOR FY 2022 (CONTINUED)**

**WORKING CASH FUND:** The Working Cash Fund is a Special Revenue fund that accounts for financial resources held by the District to be used as temporary inter-fund loans for working capital requirements to the Education Fund, the Operations and Maintenance Fund, and the Transportation Fund. Budgeted revenues for FY 2022 are \$0.

**CAPITAL IMPROVEMENTS FUND:** The Capital Improvements Fund accounts for the capital expenditures financed through various debt issuances. Details begin on page 141 of this report.

**TORT FUND:** The Tort Fund will have revenues of and expenditures of \$360,000. This is a fund required by state law and amounts are flat from FY 2021.

**FINANCIAL STRATEGIES FOR FY 2022:**

Several financial strategies will be employed for FY 2022:

**Constant Monitoring of State of Illinois issues:** The District will continue to monitor the State's issues so reductions can take place as soon as any funding source changes. The COVID-19 pandemic has created serious budget shortfalls for the State of Illinois, but federal recovery funds are helping. In the best case scenario, Evidence Based Funding (EBF) will remain flat. In the worst case scenario, the state could implement a take back of previously allocated EBF dollars. Some legislators have also been supportive of a property tax freeze. Both of these items could seriously affect District funds.

**Contractual and Consulting Services Reductions:** The District continues to try control these costs, but will increase as necessary to assist students with post-pandemic recovery.

**Energy and Water Conservation:** The District is determined to continue to improve the sustainability of its facilities. A key management issue will be to conserve both the use of water and energy. Continuing the four-day summer school and purchasing natural gas futures on the open market will continue to curb increases in the District's energy budget. The District is also replacing most of its exterior lighting with LED energy efficient lighting and securing State grants for much of the retrofit.

**Capital Improvements:** New capital improvement purchases will upgrade facilities and reduce energy costs.

**Wellness Initiative:** The wellness initiative will continue to assist the District in starting to control its long-term health insurance costs.

## *District Goals*

### *2017-2022*

*Goals Approved by the*

*Board of Education on:*

*May 23, 2016*

*Outcomes and Measures for Goals 2, 3, 4*

*Approved by the Board of Education on:*

*April 24, 2017*

# Goal 1: Equitable and Excellent Education

---

---

*ETHS will increase each student's academic and functional trajectory to realize college/career readiness and independence. Recognizing that racism is the most devastating factor contributing to the diminished achievement of students, ETHS will strive to eliminate the predictability of academic achievement based upon race. ETHS will also strive to eliminate the predictability of academic achievement based upon family income, disabilities and status as English language learners.*

<b>Outcomes and Measures*</b>	
100 percent college ready and/or workforce ready, and/or independent.	Multiple Measure Model of College Readiness specific to ETHS students' persistence into a second year of college. This model will be back-mappable.
	Career and Workforce Ready Metric
	Indicator 14 and Annual Follow Up

\*Approval of measures for Goal 1 pending further research and analysis with Northwestern University.

## Goal 2: Student Well-being

---

---

*ETHS will connect each student with supports to ensure that each student will experience social-emotional development and enhanced academic growth.*

<b>Outcomes and Measures</b>	
100 percent of students are present 95 percent or more per school year.	Student attendance tracking reported by race, IEP, ELL, income.
100 percent of students do not receive a behavioral referral.	Behavioral data reported by race, IEP, ELL, income.
100 percent of students will maintain or increase their GPA.	GPA monitoring reported by race, IEP, ELL, income.
100 percent of students will participate in extra-curricular activities.	Participation reported by race, IEP, ELL, income.
100 percent of students have improved social-emotional wellness including awareness of and access to appropriate social emotional supports.	Develop a set of intervention sensitive well-being outcomes and use appropriate multiple measures including a student survey.

# Goal 3: Fiscal Accountability

*ETHS will provide prudent financial stewardship.*

<b>Outcomes and Measures</b>	
Maintain the district's AAA bond rating.	<ul style="list-style-type: none"> <li>Annual monitoring of the budget to assure budget compliance and budget stays within revenue levels.</li> </ul>
Maintain the District's comprehensive Financial Recognition Rating from the State of Illinois. Continue our practice of regular periodic evaluation of cost-effectiveness of expenditures.	<ul style="list-style-type: none"> <li>Submit balanced annual operating budget to the Board of Education. Continue Mid-Year budget analysis of expenditures and annual Capital Improvement Plan review to assure regular evaluation of expenditures and infrastructure.</li> </ul>
Maintain the district's transparency of financial reporting to the community and the taxpayers.	<ul style="list-style-type: none"> <li>Annual receipt of the national GFOA Certificate of Excellence in Financial Reporting award and the Nat'l Assoc. of School Business Officials Certificate of Excellence in Financial Reporting award.</li> <li>Annual receipt of the national GFOA Distinguished Budget Presentation award.</li> <li>Annual receipt of the national GFOA Popular Financial Report award.</li> <li>Annual compliance with District adopted financial policies.</li> </ul>
Seek stable and adequate annual funding from multiple revenue sources including local, state, and federal sources.	<ul style="list-style-type: none"> <li>Participation in Ed Red, Community Legislative Task Force, state and local grants, and maintain contact with legislators.</li> </ul>

## ***Goal 4: Community Engagement and Partnerships***

---

---

*ETHS will strengthen parent/guardian relationships to create an effective continuum of learning and seamless transitions into and out of ETHS.*

<b>Outcomes and Measures</b>

FINANCIAL SECTION**

**REVENUE SUMMARY**

The operating revenue budget proposed for District 202 is \$85.6 million. This includes all operating funds – Education, Operations and Maintenance, Transportation and Working Cash Funds. This represents a 7.4% increase from FY 2021.

For the operating funds, property taxes continue to be the largest source of revenue consisting of 83% of all revenues (see chart). The next largest revenue category at 5% is other local revenues.

**PROPERTY TAXES:** Evanston property owners pay property tax to multiple entities including District 202. The District’s portion of the total property tax bill is slightly more than 25%. This percentage of the total Evanston tax bill has remained constant but slightly reduced for the last five years.

Property taxes represent 83% of the total operating funds of the District. The operating funds consist of the Education, Operations and Maintenance, Transportation and Working Cash funds. In addition, property taxes are collected to pay for the Bond and Interest Fund which pays for the annual debt service on outstanding bonds and the IMRF fund which pays for retirement benefits for non-certified staff.

District 202 is a non-home rule form of government in Illinois and, as such, is subject to property tax caps. Those caps restrict the growth of the amount of property taxes collected to 5% or the Illinois Consumer Price Index – whichever is lower. The Consumer Price Increase (CPI) that is used under the tax cap formula is 2.3% for the 2020 levy and 1.4% for the 2021 levy. A property tax freeze is a continued threat.

Total property taxes to be received this year are estimated to be about \$76.7 million. Property taxes for the operating funds are \$70.6 million for FY 2022.

**REVENUE SUMMARY - CONTINUED**

**CORPORATE PERSONAL PROPERTY REPLACEMENT TAX (CCPRT):** The corporate property replacement (CPRT) tax is part of the state income taxes that are collected and generally reflects the state of the Illinois economy. This tax is allocated to the Education, Operations and Maintenance, IMRF and Transportation Funds. For FY 22, estimated revenue is \$1.87 million. This is a slight increase from the FY21 budget, which had been reduced due to the pandemic.

**OTHER LOCAL REVENUES:** Other Local Revenue is generated from tuition, interest on investments, food service income, student fees, and other local revenues. The total amount of Other Local Revenues was reduced in FY21 due to expectations from the pandemic. The amount budgeted for other local revenues is \$3,514,000 and is line with pre-pandemic levels from FY20.

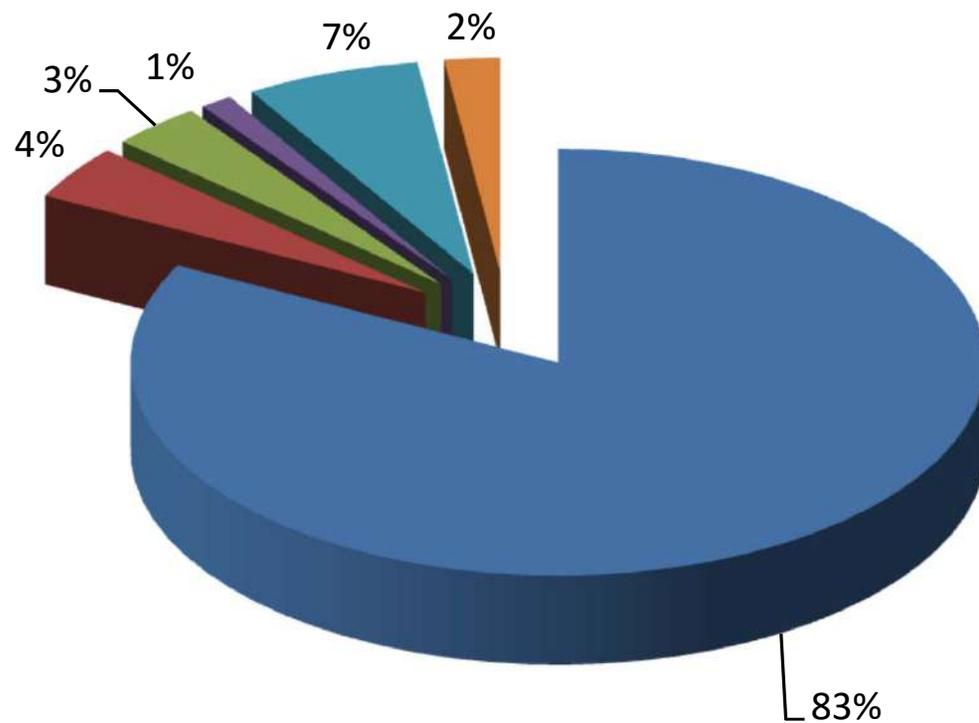

**EVIDENCE BASED FUNDING/GENERAL STATE AID:** General State Aid was changed to the new Evidence Based Funding (EBF) model five years ago. This revenue stream includes what was formerly paid as General State Aid, TBE/TPI (Bilingual) grant, Special Ed Personnel and Special Ed Extraordinary grants. Overall, this revenue source is expected to remain flat for FY22 (\$2.9 million) and possibly decrease in future years.

**STATE CATEGORICAL AID:** State Categorical Aid consists of monies received from the state that are aimed at specific needs and programs. These include such things as Special Ed Room and Board, Transportation, and some Bilingual Programs. Revenues for FY22 are estimated to be 34% more than FY21, and slightly higher than FY20 levels.

**FEDERAL AID:** Federal Aid represents the amount received from the federal government such as Title I/II funds as well as food subsidy funds. The District also receives IDEA money and DHS (Department of Human Services) funding. Total funding for FY22 is expected to increase by about 89%, due to federal recovery aid.

Details can be found on page 15.

**EXPENDITURE SUMMARY**

The operating expenditure budget proposed for District 202 is \$85.6 million. This includes all the operating funds – Education, Operations and Maintenance, Transportation and Working Cash funds. This represents a 7.4% increase over FY 2021.

For the operating funds, salaries and benefits continue to dominate the costs. Salaries represent 68% (see chart) of the budget and fringe benefits are at 8%. This means 76% of the budget is personnel cost related. The next highest categories are purchased services at 9%, tuition at 5%, and supplies and materials at 5% of costs.

**Salaries:** Salaries are mainly determined by the labor contracts that are in place at the District. The total salaries are estimated to be \$58.5 million. This represents an overall increase of 5.69% from FY 2021. The FY21 budget was lower than normal due to the pandemic.

**Fringe Benefits:** The benefits provided to our employees include health insurance, life insurance, optional dental insurance, and Social Security, Medicare, and pension expenses. Health insurance alone, the District's largest benefit expense, is expected to increase moderately for FY 2022. This increase is only calculated for half of the fiscal year because health insurance contracts are based on the calendar year not our fiscal year. This District also continues to subsidize retiree health insurance by allowing IMRF retirees into the District's plan and pays a payment to retirees for a portion of their premium. Total fringe benefit expenses are estimated to be \$7.06 million which is very similar to the FY 2021 budget, due to cost containment.

**Purchased Services:** Purchased services expenditures for FY 2022 are estimated to be \$7.52 million, a 9.5% increase from FY 2021. FY 2021 budget levels were below normal due to the pandemic.

**Supplies and Materials:** Supplies and materials are estimated to increase by 26% for the FY 2022 budget for a total of \$3.98 million. The increase is mainly due to the fact that the FY 2021 was lower than normal due to the remote environment.

**EXPENDITURE SUMMARY - CONTINUED**

**Capital Outlay:** Capital outlay expenditures for FY 2022 (in the Ed and O&M Fund) amount to \$2.43 million which is a 71% increase from FY 2021. This is mainly due to federal aid for capital projects in the Operations Fund.

**Other Objects:** Other objects expenditures for FY 2022 are \$1.63 million which is consistent with FY 2021.

**Tuition:** Tuition is expected to increase by 5.4% in FY 2022. Tuition costs have been flat in the last few years, partly due to the opening of the Public Day School.

## EDUCATION FUND

The Education Fund is the general operating fund of the District. It accounts for all financial resources except those required to be accounted for in another fund. This fund is primarily used for most of the instructional and administrative aspects of the District's operations. Budgeted revenues for FY 2022 are \$75.1 million and expenditures are \$75.1 million. This represents an expenditure increase of 6.7% over the FY 2021 Education Fund budget. This increase in budget is due to wage increases.

What follows is a detail of the revenues, expenditures and description of the activities of the major departments. The expenditures are organized by functions which are:

- Instruction 1000
- Support Services 2000
- Community Services 3000
- Non-programmed Charges 4000

#### **Description of Major Activities:**

The English department is responsible for the teaching of both English and reading. The Freshman Earned Honors Humanities and the Pathway to Honors at the sophomore and Junior levels will continue to be a high priority for the Department.

The categories of classes offered are as follows:

- English: 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grades
- English-Humanities offered 9<sup>th</sup>
- Reading classes in 9<sup>th</sup> and 10<sup>th</sup> grades
- Journalism and Media Production
- Senior Studies
- American Studies
- Gender in Literature
- Historical Fiction
- Multimedia and Analysis
- Psychology in Literature
- Science Fiction

Students will read to comprehend a variety of texts using appropriate strategies. Students will read, understand, interpret, and appreciate a variety of contemporary and classic works of literature and non-print texts that represent diverse cultures, eras, and perspectives.

Students will write to communicate for a variety of purposes and audiences. Students will use the language arts for inquiry and research to acquire, organize, analyze, evaluate, and communicate information.

## **WORLD LANGUAGES**

**1011300103**

### **Description of Major Activities:**

The World Languages department is responsible for providing instruction in eight (7) world languages to almost 3000 students every year. The department goals are to promote and develop language acquisition and effective communication skills in the languages offered: American Sign Language (1-4 Honors), Chinese (1-4 Honors), French (1-5 Advanced Placement), German (1-4 AP), Japanese (1-4 Honors), Latin (1-4 AP), Spanish (1-5 AP) and Spanish for Heritage Learners (1-4AP). Facilities include a 60-station state-of-the-art language laboratory (2006) in which students practice listening and speaking skills in the world language(s) they are studying. Among the cultural and enrichment activities students can participate in are foreign exchange programs with students of their target language and country, other educational travel, plus field trips and guest speakers locally. Our students also compete in regional and national language examinations and contests, as well as the Advanced Placement examinations in six (6) languages.

## SCIENCE

1011300105

### **Description of Major Activities:**

The Science department is large, supporting 38 faculty members as well as Special education teachers responsible for science instruction. In 28 classrooms, they are responsible for instruction in core disciplines, Biology, Chemistry and Physics as well as a variety of other science electives. It is a core academic area and the high school requires that every student pass one life science (biology) course and one Physical science course, which is usually chemistry but may include other options like physics, geosciences or astronomy. There are currently 4 levels of science classes (1, 2, honors and AP) as well as a “fast track” Chemistry/Physics program for accelerated science students. All science courses are 1-year courses with a lab component but the period requirement varies. There are 5 period a week classes, 7 period a week classes and 10 period a week classes. In addition to the 28 classrooms, the Science Department is also responsible for the Planetarium, Nature Area, Renewable Energy and Environmental Lab, Wildkit Research Center, Vivarium, and utilizes the greenhouse, edible acres, and eventually the orchard.

A high priority of the department is to address the Next Generation Science Standards and a student centered approach to learning. This requires more lab intense instruction and a purposeful alignment to cross-cutting concepts, science and engineering principles, as well as disciplinary core ideas. The intention is to engage students in the use of scientific language, practices, and collaboration.

A team of faculty members guide student research outside of classroom time during the school year. With the addition of the new Wildkit Research Center in 2018, there are renewed efforts to get students at any level involved in research. There is now a range of research possibilities and competitions available to students. They can present their finding locally in a classroom setting or regional science fair or compete nationally in high school science competitions like Regeneron and the Loyola Symposium. Some students have had the ability to publish their research in major research journals and co-author significant findings with their mentors. Other teachers work with extracurricular science clubs and competitions like TEAMS, Science Olympiad, Bridge Building, Math Modeling, etc.

Science education requires a tremendous amount of equipment, expendable supplies, and facilities maintenance and upkeep. The shift to a digital world required additional equipment and constant repair/replacement to ensure students are ready for 21<sup>st</sup> century skills. Supporting this type of learning environment in multiple classrooms and other facilities for more than 110 science classes requires large supply budgets to operate effectively.

**HISTORY/SOCIAL SCIENCE**

**1011300106**

**Description of Major Activities:**

The History/Social Science department offers both graduation requirements and a variety of electives for students. All freshmen take Humanities, which is team taught with an English teacher. All sophomores take a full year of Civics, a state of Illinois graduation requirement. The Civics course employs a variety of resources and experiences to meet Illinois state guidelines, including current periodicals, simulation curriculums, and field trips. All Juniors take a course focused on United States History, where they are challenged to explore and do history. The department fosters a wide variety of partnerships with local organizations, such as archives, museums, libraries, and some non-traditional entities that can help students explore U.S. History topics related to their interests. These partnerships allow students to visit and engage with these organizations. The department offers a variety of electives for students who wish to deepen their understanding of History and the Social Sciences. These include Advanced Placement European History and Psychology, Philosophy, Economics, Sociology of Race, Class, and Gender, Human Behavior, American Legal Systems, African American Studies, Senior Studies, The Chicano Movement, and History of African Americans. The Chicano Movement and History of African Americans are dual credit courses offered in partnership with Northeastern Illinois University. When necessary, the department attempts to help those students who are eligible for free and reduced lunch earn college credit through this program by soliciting funds to pay the tuition.

**ACADEMIC SUPPORT PROGRAM**

**1011300198**

**Description of Major Activities:**

Evanston Township High School’s Multi-Tiered System of Supports (MTSS) was created to allow every student to meet high expectations, with the goal of increasing academic performance for all ETHS students through personalized help from faculty, staff and parents. MTSS provides a structure to assist all students in improving academically and becoming responsible, self-directed learners. This support is intended to be personal, responsive to the individual student’s specific needs, timely, and tenacious. The MTSS model presents tiered supports to address both academic and behavioral needs.

**Academic Supports**

**Tier 1: Classroom-Based or Universal Supports**

Tier 1 is the foundation of good teaching for all students at ETHS, aimed at achieving both equity and excellence for all students. That foundation of good teaching is based on the belief that that every student can succeed academically and socially, given the right amount of time and support.

**Tier 2: Targeted, Programmatic, or Small-Group Academic Interventions**

If Tier 1 supports are not sufficient to serve the needs of a student, then a Tier 2 intervention is considered. Targeted interventions in Tier 2 often – though not always – occur in small group settings that offer support which supplements support already provided to all ETHS students. Staff members are responsible for facilitating discussions and Tier 1 documentation is required for consideration. Parents, teachers or other interested adults may direct questions about Tier 2 to the student’s counselor or social worker.

**Tier 3: Intensive Individual Academic Interventions**

If Tier 1 and Tier 2 interventions and supports do not sufficiently further academic/social success, individual plans may be created that are particular to the individual student’s needs. Students identified as requiring Tier 3 interventions are referred to the Director of Special Education or the Assistant Superintendent/Principal by the Pupil Personnel Services Team, Student Services Team, Intervention Advisory Team, or Associate Principal for Educational Services.

## **BILINGUAL**

**1018000194**

### **Description of Major Activities:**

The Bilingual program is designed to meet the needs of English Learners (ELs). These are students who speak a language other than English as their first or home language. Through our program, ELL students learn English as a new language, become familiar with United States culture and receive individual tutoring and academic counseling, so they can succeed in all of their courses. Courses offered in the Bilingual Program include English as a Second Language (ESL 1, 2, 3, 4), Pre-Algebra, Algebra, Geometry, World History, U.S. History, Physical Science, Biology, Chemistry, Tech Apps for Young Adults, ESL Transition Support and Summer ESL Enriched. Spanish Language/Culture for Heritage Learners (SHL 1-AP) is available for students whose first or home language is Spanish.

The Bilingual Coordinator works to encourage and increase parent involvement. Parent outreach meetings and activities are conducted at least quarterly. Students participate in field trips to local museums and other educational enrichment activities that enhance their language acquisition and cultural awareness.

Facilities used by the program include a bilingual laboratory dedicated to use by students in the Bilingual Program. Regular access to the World Languages Laboratory is also provided for ESL and SHL students.

### **Budget Goals:**

Improve student achievement and support teachers in their professional growth.

### **SOCIAL WORK SERVICES STUDENT SERVICES DEPARTMENT**

**1021100123**

#### **Description of Major Activities:**

The Student Services Department provides a comprehensive developmental counseling program to meet the academic, social/personal, and college/career needs of students.

Social workers focus primarily on students' social/personal development. Through individual and topic-specific group sessions, social workers have confidential meetings with students. Social workers, in collaboration with members of the P.E. and Health Department, also address issues such as test anxiety, stress and health issues.

In partnership with other educators, parents/guardians, and the community, the Student Services professionals strive to ensure that all students at ETHS develop the skills, knowledge, and understanding necessary to be successful in our changing society.

### **SUBSTANCE PREVENTION SERVICES STUDENT SERVICES DEPARTMENT**

**1021200124**

#### **Description of Major Activities:**

The Student Assistance Program (SAP) social worker has primary responsibility for Substance Prevention Services, although many at ETHS, including counselors, grade-level social workers, psychologists, deans, and members of the Physical Education/Health and Science Departments, also play roles. The SAP social worker is a member of the Student Services Department and:

- Provides education about the use and abuse of substances.
- Provides assessment, prevention, intervention, consultation and referrals for students and/or families.
- Oversees the ETHS Social Work Referral Form (for concerns of teachers).
- Collaborates on the Social Norms Marketing campaigns and helps conduct annual surveys with students and parents/guardians.
- Leads the School Team for Substance Abuse Prevention.
- Serves as a liaison with PEER Services, the National Alliance on Mental Illness Cook County North Suburban, and other community agencies.
- Oversees the Peer Jury and collaborates with the deans and the Safety Department on restorative justice.

The SAP social worker also has responsibility for other professional tasks that usually are not directly related to substance prevention.

### COLLEGE/CAREER CENTER STUDENT SERVICES DEPARTMENT

1021200145

#### **Description of Major Activities:**

The staff in the College/Career Center (CCC) is responsible for providing services to students, parents, and the Evanston community, using comprehensive post-secondary resources.

A counselor is designated to be the coordinator of CCC. The post-secondary counselor works with students and parents, whose first language is not English; with first-generation college-bound students; with undocumented students; and with students who plan to enter the workforce after graduation. Within the context of that mission, the College Career Center does the following:

Maintain a library of books, catalogs, brochures, software, and other post-secondary reference materials.

Develop and present for students, faculty, parents and the community a broad range of post-secondary related programs. All programs are tailored for targeted audiences. For example:

*College Workshop for Parents of Seniors*  
*College Workshop for Juniors and Parents*  
*Campus Visit Workshops*  
*FAFSA (financial aid assistance)*  
*Financial Aid Workshops for Juniors, Seniors, Freshman and Sophomores*  
*Job Shadowing program*  
*Career Day programs*  
*(various other programs)*

Principal and initial contact between all colleges and ETHS

*Liaison for all college representatives and all college visits to ETHS.*

The College/Career Center also has all materials sent to ETHS relating to colleges, careers, student opportunities, scholarships, internships, summer programs, events of interest to students, military options, and support for services related to job search and job preparation.

## **TORT FUND**

The Tort Fund is a Special Revenue fund that accounts for expenditures related to insurance for both property and workers' compensation. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

The Tort Fund provides funds for:

- Premiums on property, liability and workers' compensation insurance policies
- Payments made for liability settlements
- Related expenditures

The funding for much of the Tort Fund is from property taxes. Those taxes, however, do not cover all the costs related to the District's insurance needs.

Budgeted revenues for FY 2022 are \$360,000 and expenditures are also budgeted at \$360,000.

### **GOALS:**

- Continue to promote safe practices to reduce workers' compensation claims.
- Continue to promote safe practices to reduce liability claims.
- Continue to utilize nurse review program with our insurance consortium CLIC

## **OPERATIONS AND MAINTENANCE FUND**

The Operations and Maintenance Fund is a Special Revenue fund that accounts for expenditures made for repair and maintenance of the District's buildings and land. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

The Operation and Maintenance Fund provides funds for:

- employees who provide those services
- materials, supplies and energy to operate the facility
- specific building improvements that are required

Most of the funding for the Operations and Maintenance Fund is from property taxes. There is also revenue from the corporate property replacement tax as well as rental income and other miscellaneous revenues.

Budgeted revenues for FY 2022 are \$8.87 million and expenditures are budgeted at \$8.87 million. This is a 12.2% increase over FY 2021 and includes \$800,000 in federal aid.

### **GOAL: OBJECTIVES AND PERFORMANCE MEASURES**

**BOARD GOAL:** Provide consistent and stable financial stewardship assuring: excellent education and opportunity for each student; reasonable property taxes; leveraging and optimizing resources; and values-based, cost effective allocation of resources

#### **DEPARTMENT OBJECTIVES:**

- In compliance with the local, state and federal laws and regulations provide a safe, clean and comfortable learning and working environment for the District's students, teachers, administrators and the support staff.
- Maintain aesthetic appearance and structural integrity of the District's buildings and grounds.

#### **PERFORMANCE MEASURES:**

- Reduce District's carbon footprint in conjunction with the City's strategic goal
- Complete the Capital Improvements projects on time within the Board approved budget.

## **ETHS DISTRICT 202**

### **Engineering Services**

**2025400206**

#### Description of major activities:

The engineers are responsible for the operation, maintenance and repair of the boilers, chillers, generators, HVAC equipment, and Building Automation, Fire Alarm, plumbing, and electrical systems. Majority of the work is performed by the in-house staff. Some of the work which requires more specialized training and equipment, such as the repair and maintenance of elevators, boilers and chillers, fire alarms and building automation system, is contracted out. The engineer's responsibilities are to ensure efficient operation of the equipment, to minimize the emergency repairs and service disruptions, and to maximize the expected useful life of the School District's capital assets. Engineers also provide these services to the other two ETHS offsite schools.

## **TRANSPORTATION FUND**

The Transportation Fund is a Special Revenue fund that accounts for expenditures made for student transportation. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

The Transportation Fund provides funds for:

- Transportation of off-campus special education students;
- Transportation of student athletes to sporting events;
- Transportation for student field trips.

Half of the funding for the Transportation Fund is from property taxes and the other half comes from state transportation funding. There is also other miscellaneous revenue.

Budgeted revenues for FY 2022 are \$1.24 million and expenditures are budgeted at \$1.24 million. This represents a 19.4% increase from the FY 2021 budget, due to return to in-person learning.

### **GOAL: OBJECTIVES AND PERFORMANCE MEASURES**

**BOARD GOAL #3:** ETHS will provide prudent financial stewardship.

#### **Strategies:**

- Continue to analyze use of purchased buses to reduce overall transportation costs.
- Promote District installed electric charging station from local car dealership.
- Search for cost effective, reliable bus transportation

## **CAPITAL IMPROVEMENTS FUND**

The Capital Improvements Fund accounts for major projects through bond issues and monies raised specifically for such purposes. The Board reviews and approves an annual Capital Improvements Budget and a five-year plan.

FY2022 expenditures will total approximately \$5 million or less. The funding sources are the 2020 debt certificates, which the District issued in the Spring of 2020, fund balance, transfers from the O&M fund, and funds raised by the ETHS Foundation.

Capital expenditures for the District are items that are over \$2,500 in value and have a useful life of over one year.

The 2020-24 Capital Improvement Program Plan was updated in the fall of 2020.

### ISSUE

This is the District’s proposed Capital Improvement Program (CIP) for FY 2020 through FY 2023 (with a recap of 2020). It is a comprehensive examination of the District’s infrastructure needs and a financing plan to address as many of those needs as the District can afford.

This memo will address the following related topics:

- General Background
- Sources
- Bond Issuance
- Capital Improvements

### GENERAL BACKGROUND

A CIP is a prioritized comprehensive approach to addressing the infrastructure needs of the District. It is considered a “best practice” in local government literature and is a required part of the national Government Finance Officers Association Distinguished Budget Awards program.

The District’s CIP is a five-year plan for capital improvements for a governmental organization. The first year is funded and the other four years are provided as a roadmap for future capital expenditures. There are six major reasons often cited for capital budgeting. They are:

- The stakes are high as the improvement of capital infrastructure is very expensive and special planning, financing, and managing are needed to ensure that the projects and acquisitions are needed, well designated and efficiently implemented. This is especially difficult during a pandemic.

- The decisions extend for years and most of the assets acquired will have useful lives of twenty years or beyond.
- The spending will vary from year to year depending on the project. Different projects will have different costs that will vary greatly from year to year.
- Implementation takes time as projects need to be coordinated and for many projects planning and implementation can occur over several years.
- Debt financing is often used and requires planning that must provide for comprehensive financing planning.
- Capital project differ from year to year and that must be taken into consideration to plan for everything from financing to implementation to maintenance.

Prioritization of capital improvements is always an issue. There will always be a struggle between the needs of the classroom and the general maintenance of the building envelope of the school and its basic operating systems.

The question is often asked, “What is a capital expenditure?” For the purposes of the CIP the answer is that a capital expenditure is one that results in the acquisition or addition to a capital asset or fixed asset as it is often referred to.

Fixed assets include many types of property that a local government owns and uses in its operations:

- Land or rights to the land.
- Buildings
- Additions or renovations of buildings that exceed a specified cost which generally is over \$25,000 in value that will add value to a building improve it or extend its useful life.
- Improvements to land other than buildings that exceed a specified cost which generally is over \$25,000 and add value to the land or improve its utility (such as drainage systems, parking lots, landscaping, irrigation and similar construction on land).
- Equipment, vehicles, and furnishings that have useful lives longer than one year and exceed a specified cost generally over \$25,000.

The overall goal for the District’s capital improvement effort is:

A comprehensive capital improvement program that is used by decision makers to guide capital investments, make the best use of limited resources and provide District facilities that function well and contribute to the academic achievement, public health and safety of ETHS students, teachers and staff.

To accomplish this goal, a broad set of objectives and policies has been developed to guide preparation and monitoring of the capital improvement program and are included in the budget document each year.

## **SOURCES**

The District does not have adequate bonding capacity to adequately replenish its capital improvements needs on an annual basis. This is evidenced by the fact that the District's annual depreciation expense (from our FY 2019 audit) is just over \$3.7 million and our bond capacity is between \$2-3 million annually. The real capital needs of the District exceed \$6 million a year. This is one of the main reasons the administration reinstated the Foundation to assist in supporting our capital replenishment needs.

Sources of funding will come from bonds, Operations and Maintenance Fund, grants and monies raised by the ETHS Foundation. In addition, a set aside has been created to utilize some of the funds from the retired Washington National TIF District. That increment would be used for capital funding unless needed for operational expenses.

## **CAPITAL IMPROVEMENTS**

Attached is a comprehensive five-year projection of the proposed capital projects. The five-year plan outlines over \$30 million in needed capital improvements. While not all of these needs can be funded at the current time it is important to at least identify the needs and potential capital issues the District may have to address.

The Board approves the five-year plan but just the funding for the FY 2020-21 fiscal year. It is clear not all the projects on the five-year plan can be funded as there are \$26.6 million in needs and only approximately \$23.2 million in identified sources of funds.

## **RECOMMENDATION**

It is recommended that the Board adopt the FY 2020 to FY 2024 Capital Improvements Plan (which amounts to \$26.6 million) and approve funding for the FY 2020-21 year (summer 2021), which amounts to \$5.6 million.

## **WORKING CASH FUND**

The Working Cash Fund is a Special Revenue fund that accounts for financial resources held by the District to be used as temporary inter-fund loans for working capital requirements to the Education Fund, the Operations and Maintenance Fund and the Transportation Fund. Special Revenue funds are funds that account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. The Working Cash Fund was funded through a bond issue. As allowed by the School Code of Illinois, this fund may be permanently abolished or become a part of the Education Fund.

The Working Cash Fund provides monies for cash flow for the Education, Operations and Maintenance and Transportation funds.
