

Name: _____

Title of Exam: _____

Date Completed: _____

You will complete a row for anything missed on the exam. For each test question missed, you will find 2 similar problems from the textbook or other resources. Use your notes and practices to fully work out these examples. You may also work together with classmates or ask me for help. You will also provide an explanation of the reason this questions was missed and how you know you have corrected your mistake. **"I didn't understand" is not a sufficient explanation.** You must show **ALL** work and corrections must be checked in order to retake the exam. (*any problem requiring graph paper must be done on graph paper and attached.)

Prob #	Example Problem #1	Example Problem #2	Explanation	Corrected Problem from exam

*Additional problems missed must be done on notebook paper in the same format.
