

# Text Structure Quiz

# 1.

- We discovered that the batteries in our flashlight were dead when we tried to use it during the storm. Therefore, we were not able to see until the electricity came on.

## 2.

- First, we packed our suitcases. Then we piled into our little car. Before long we were on the way to grandma's house.

# 3.

- Butterflies are flying insects with two pairs of large, colorful, scaly wings. The wing scales overlap in rows. The color of the wings gradually fades.

## 4.

- Tigers and lions are both cats. However, tigers have stripes and lions do not. Both have very good nighttime vision. Unlike lions, tigers like water and are good swimmers.

# 5.

- We didn't know how to get our cat down from the tree after the neighbor's dog chased her. The fire department came to the rescue.

# 6.

- The sun keeps the Earth warm. If the sun did not shine on Earth, it would be so cold that no plants, animals, or people could survive. As a result of the sun, there is life on Earth.

# 7.

- If a starfish loses one of its arms in a fight, another one will soon grow in its place.
