FORESHADOWING

- The **plot** of the story is a series of related events. These events take place as one or more characters take steps to resolve a **conflict**, or problem of some kind. Some events are hinted at through the use of **foreshadowing**.

Plot?

- the main events of a play, novel, movie, or similar work, devised and presented by the writer as an interrelated sequence.

Climax

- the most intense, exciting, or important point of something; a culmination or apex.

Resolution

- The resolution of a story most often happens at the end of the book; it's the event resolves the conflict occurring in the story and provides a conclusion.

- Each event in “The Most Dangerous Game” will make you curious about what will happen next. That curiosity is called **suspense**.
- As you read, look for examples of **foreshadowing** that hint at what might happen later in the plot.
