The screenshot displays the 'Submission Details' page for a task titled 'Task 1: Individual Paper, NICHOLAS WEBB', submitted on Dec 1, 2015 at 7:55pm (late). The page shows a document preview of 'EconomicIndividualPaperOutline.docx' (4.54 KB) with a 'View Feedback' link. The document content includes the title 'Economic Benefits of Waste-to-Energy' and two paragraphs of text. Two yellow callout boxes provide feedback: 'Mrs. G: the U.S. (parallelism)' pointing to the phrase 'the U.S.' in the first paragraph, and 'Mrs. G: Where is this agency, and why should I believe them?' pointing to 'Onondaga County Resource Recovery Agency (OCORRA)' in the second paragraph. A red error message at the top of the document states: 'There are no parenthetical citations in your paper... Your paper is not in MLA format.' The interface also includes a sidebar with navigation options like Home, Announcements, Assignments, and a top right corner showing 'Grade: 17 out of 24' and a 'Show Rubric' link.

As a parent you will be able view all of the teacher's feedback that they may annotate on any assignment in eCampus.
