

THE PLAYERS CC!

Student Leadership Grant

General Information and Grant Guidelines

THE PLAYERS Championship is offering student leadership grants through CHARACTER COUNTS! of St. Johns County for the expansion and enhancement of character education within the St. Johns County School District through projects, programs, and new or existing clubs.

WHO CAN APPLY?

- Schools
- Individual teachers
- Administration

USE OF FUNDS

Funds may be used for, but not limited to, professional development/training, support materials, retreats, guest speakers, community and school activities, apparel for club/project/program.

DISBURSEMENT OF FUNDS AND EXPENDITURES

Applications will be accepted throughout the school year and reviewed by the committee within two weeks of date received. Applicants will be notified directly by a committee representative.

Evaluation: A final end-of-year outcome and expenditure report is required at the completion of the club/program/project. To be eligible to participate in future funding opportunities, timely submissions of the evaluation is required.

- **END-OF-YEAR PROJECT OUTCOME AND EXPENDITURE REPORT:** Due May 21, 2019 detailing:
 - Project goals and outcomes- did the club/project/program meet the goals and outcomes outlined in the application? Explain
 - How were the funds used? Be specific.
 - Please provide photos, flash drives, websites, PowerPoints, videos or short anecdotes of the project in action that can be used by the CHARACTER COUNTS! Steering Committee and The Players for program evaluations and publicity. Please invite St. Johns County School District Community Relations Department to see the club/project/program in action!

Application -includes cover page, narrative, goals/outcome and itemized budget

Project Narrative/ Details of Project – Provide a brief description/summary of the purpose of this club/program/ project and list ways that it will benefit the school/community.

Project Outcome Paragraph and Method of Evaluation- Explain how your program/project will impact students as well as promote good character. How will students grow in their leadership abilities through this project/program? How will it be evaluated? What evaluation tool(s) will be used?
