

## What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how parents and teachers can communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## Jointly Developed

The parents, students and staff of HES developed this School-Parent Compact. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the Compact and make changes based on student needs.

**Parents are welcome to contribute suggestions at any time.**

If you would like to volunteer or participate, please call or email principal Marla Callahan at [marlacallahan@pickenscountyschools.org](mailto:marlacallahan@pickenscountyschools.org)

## Communication about Student Learning

HES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Weekly or Monthly Newsletters
- Notes sent home
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Current grades and attendance in Infinite Campus
- School Website
- Social Media
- Automated Calls through Infinite Campus

To make an appointment with your child's teacher, contact the teacher by phone (706) 253-1840 or email.

## Reading

**Target 1: Students will improve reading fluency and comprehension**

**Target 2: Students will be able to give explanations and express opinions in their writing**

### As a school, we will...

- Teachers will send home a parent friendly explanation of what oral reading fluency means along with providing passages to practice at home
- Teachers will provide a list of suggested activities to practice writing opinions and giving explanations
- Teachers will provide families with Internet resources that will improve students learning in reading

### As a parent, I will...

- Practice reading passages sent home with my child
- Review activities to practice writing with my child and help them to write opinions and explanations
- Allow time for my child to use Internet resources to improve their learning in reading

### As a student, I will...

- Practice reading fluency and comprehension using the passages sent home by my teacher
- Practice writing opinions and explanations using the activities my teacher provides me to use at home.
- Use computer resources to improve my learning in reading
