TIGER NEWS

Mundy's Mill High School Newsletter

Message from the Principal

Hello Tiger Nation. We have had a very successful start to the 2021-2022 school year. The vision of Mundy's Mill High School is for all students to become college and/or career ready and be responsible and active participants in a global society. Upon visiting classrooms and teachers, I can attest that our students are fully engaged and prepared to learn. Our mission remains "to empower and enrich students to exceed expectations through critical and analytical thinking that leads to self-directed learning that applies to real-world situations." We are safely following the CDC guidelines as it relates to COVID-19 safety protocols. Our clubs are preparing to meet with students, and various sports have begun conditioning and/or had their first games. We are excited to embark on this new but different school year and look forward to the many accomplishments we know the students of "The Mill" will experience this year!

Accolades

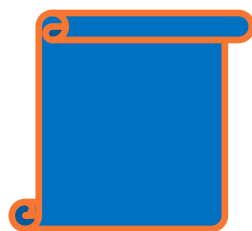

Congratulations to the 2021-2022 MMHS Teacher of the Year, Dr. Clara Clark. Thank you for supporting the entire DES department, your parents, students, and team! #GoTigers
