# Title I

Title I is the largest federal assistance program for schools. Allocations are based on the number of free & reduced lunch participants. CIS is a School-wide Title I program providing services to students in the regular classroom.

# School/Parent Compact

We have developed the School/Parent Compact with the input and assistance of our School Advisory Council. Please read and sign your copy and return to the school as soon as possible. We look forward to working closely with our parents as a vital part of our educational team.

# What does Title I do for our school?

- Title I teachers are in place to reduce our teacher to pupil ratio at CIS.
- Funds provide additional training for school staff.
- Provides supplemental tutoring resources
- Supports parental involvement activities
- Provides supplemental teaching resources

# Parental Involvement Plan

- Parental Involvement Plan is developed with the input of the CIS School Advisory Council.
- Copies of the Parental Involvement Plan will be provided to parents.

# Parent Information

- A Parent Handbook will be sent home to help parents better understand the Title I Program and their rights.
- Parental Information and Resource Center (PIRC) – A parent website that provides parental information and resources [www.florida.pirc.usf.edu](http://www.florida.pirc.usf.edu)

# Teacher Information

Teachers will provide information regarding:

- Educational Standards
- District/School Curriculum
- Parent/Student/School Compact
- How student progress will be measured & reported
- Ways to help your child

# School Advisory Council

- CIS School meets on the first Tuesday of selected months.
- We will be updating the council membership this month. If you have a recommendation or would like to participate yourself, please submit your name on the form provided on the Title I table in the School / Community Fair.

# Student Activities

- Students are involved in numerous extra-curricular activities to recognize and enhance a great variety of talents.

STEM LAB - Many activities are offered to students in our Stem labs. Students will learn about Science, Technology, Engineering, and Math.

CIS has a substantial volunteer program.  
Many talented parents and community  
members enhance the educational program for  
students.

# CIS is a great place to work and learn!!

Students at CIS are provided the opportunity to participate in several field trips which correlate with their curriculum during the year. Field trips are a fun hands-on learning experience. Remember ~All forms must be properly completed and turned in on time.

Homework – Students will be required to complete homework assignments that reinforce their lessons. Homework should last approximately 30 – 40 minutes.

## Attendance

It is very important for students to be in school every day. When students are out, they miss important instruction.

*Miss School – Miss Out!*

All students are important and can succeed  
at CIS !

Students participate in a school wide initiative of reading  
20 minutes every night.

Thank you for taking a brief look at CIS. We have a great deal to offer students, faculty and families. We invite you to visit and become part of the TEAM!
