# Highly Qualified Teachers

- ▶ Title I requires all instructional staff be highly qualified. All full time teachers are highly qualified. One teacher is on leave for quarter 1, and her classroom is staffed by a substitute teacher at this time. While we have every confidence in the substitutes ability, we are actively searching for a certified mini contract teacher to fill this position.

# Your child's education is truly a *partnership...*

- Attending parent conferences
- Volunteering for the school
- Asking questions & requesting information from our parent resource area
- Attending School Advisory Council Meetings
- Getting involved with our Parent Teacher Organization
