August 8, 2022

Hello, Mundy's Mill High School Families & WELCOME to the 2022-2023 school year!

Our school mission is to *empower and enrich students to exceed expectations through critical and analytical thinking that leads to self-directed learning that applies to real-world situations*. We believe that all families want a safe and nurturing education for their child/ren. An excellent education can provide the scholar with incredible opportunities and options for life. Studies show that one of the most significant predictors of student success is the engagement of families in their child's school. When families and schools team together, empowering partnerships are created that boost student achievement. We want you to be engaged **with us** in the capacity of volunteering, visits, and communications.

Please feel free to contact the school if you need items from the Parent Resource Center (Room 206), so we can supply you with the requested resources. We welcome your visit.

The Parent Resource Center offers:

- Title I information
- A Parent Lending/ Giving Library of educational resources
- Parent brochures, booklets, children books
- Community resource information
- Computers to access the Parent Portal to monitor your child's progress or job information
- Weekly workshops and meetings that inform you about our Title I program at Mundy's Mill High School
- Weekly newsletter via the school website, parent and student email.

Please check the monthly calendars on the school website and learn of workshops, programs, and events scheduled for our school community. Your attendance can make a world of difference in your child's education. Our faculty and staff look forward to supporting you and collaborating with you during your child/ren's tenure at Mundy's Mill High School.

We look forward to your child having a high-performing year at Mundy's Mill High School.
