Hello Wards Creek Family! The Daddy Daughter Dance was a huge success. Thank you to everyone who participated in the event. The decorations, food, and dancing by the one and only Mr. Klein was amazing! Be on the lookout for details to come soon about the mother/son event.

Odyssey of the Mind: Odyssey of the Mind teaches students to use their creativity to solve problems. The regional competition was held Saturday, February 12 at Gamble Rogers Middles School. WCE had two teams participate in the competition. Team one placed 4th overall and Team five placed 2nd overall. The students did an outstanding job presenting, problem solving, displaying teamwork and representing WCE. Great Job Students! A big shout goes to the volunteers, Ms. Patchen, Ms. Shinkre, and Ms. Smith, for taking time on a Saturday to help the event run smoothly. Also, a thank you goes to the Odyssey of the Mind sponsors, Ms. Drost and Ms. Kamm. Thank you for taking time each week to facilitate the time with the teams.

Spotlight on Related Arts:

Art News:

In art, students are busy working on a music themed artwork for the upcoming schoolwide art show. Each grade level is focusing their project on something different: classical music, jazz music, Latin music, etc. and most classes have had an opportunity to discuss the contributions of Black authors, music, and musicians in honor of Black History Month. The show will be in April so we will be sending more details in the near future!

PE News:

Our Warriors have really been enjoying the Run/Walk social club on Wednesdays during PE class. Every time the students complete a lap, they get a punch on their club card. For every 10 laps (K-2nd grade), and every 20 laps (3rd-5th grade) they receive a little "foot charm" to hang on their brag tag necklace. It is so nice to see friendships forming, while getting heart healthy.
