

# TRAVEL POSTER ASSIGNMENT

You are going to create four travel posters for your country. Each group member must design their own travel poster about the country you created.

## Assignment 1:

Use the questions below to help you create travel posters that reflect your country.

1. What do the people of your country look like?
2. What animals are found in your country? Are any unusual?
3. What birds, reptiles or fish are found in your country?
4. What do the people wear? Do they have a national dress?
5. What do the houses look like?
6. What is the terrain – mountains, water, desert, forest, beaches, ...
7. What plant life, flowers and trees are in the country?
8. What is the country's language?
9. Do the people have music or dance that is special to their country?  
Does your country host an annual festival (Jazz festival, arts festival, movie festival, etc.)
10. List several places a visitor to the country would want to visit and see.

BE CREATIVE. You are starting from scratch. What would these things look like in your country?

## Assignment 2:

Design a travel poster for your country.

Steps:

1. Select an image that you think best represents your country or describes something special about the country. (examples: shoreline, rain forest, dance or music, scenery, unusual animal/bird/..., special costume or dress, special event, historical, special holiday, place)
2. Lightly draw the image in the center of the paper...large, fill the space.
3. Use water color wash and blending to add the base colors.
4. Use markers and colored pencils to add details to the image.
5. Neatly cut large letters to paste the name of the country on your poster from colored construction paper.
6. Plan the best place for the name of the country and glue down.

## GRADING:

Image(s) – well planned, vibrant, eye-catching

Use of water color, colored pencil, marker

Name of country - large, neat
