**Good
classroom
managemen
nt
is
important
because....**

**It creates a productive learning environment.
It increases on-task time and reduces disruptions to instruction.
It aids in smooth transitions between activities.
It provides students consistent structure.
It conveys expectations.
It provides a framework for teaching responsibility.
It reduces stress!!**

TKES...need we say more?

A hand is holding a tablet computer. The screen of the tablet displays the text "E-Classroom Management Tools" in a large, bold, red font. The background of the screen is a light blue gradient. The tablet has a black bezel and a small circular camera lens on the right side. The background behind the tablet is a blurred outdoor scene with a blue sky and some greenery.

<http://www.classdojo.com/>

Class Dojo is a classroom tool that helps teachers improve behavior in their classrooms quickly and easily. It also captures and generates data on behavior that teachers can share with parents and administrators. Better learning behaviors, smoother lessons and hassle-free data - and its free!

Classroom Management Tools

There are a number of tutorial videos on YouTube that are great for learning more about Class Dojo.

Here are some overview videos that will help you decide if Class Dojo will work for you and your students.

TeacherKit®

Great app for secondary teachers because it allows you to **organize multiple classrooms** and students. *Teacher Kit* offers multiple features such as **seating charts, attendance records, behavior tracking, a gradebook**, and more. You can hold your *Teacher Kit* in the palm of your hand as you walk around the class (one of the best classroom management tricks) and import the data to your classroom computer later.
