

Forsyth County Schools Course Syllabus 2021/2022

COURSE TITLE:	Earth Systems		
TEACHER NAME:	Coach Kyle Turner	E-MAIL:	nkturner@forsyth.k12.ga.us
ROOM:	369 (West Hall)	PHONE:	770 781-2264
		EXT:	100369

Course Description (GaDOE): Earth Systems Science is designed to continue student investigations that began in K-8 Earth Science and Life Science curricula and investigate the connections among Earth's systems through Earth history. These systems – the atmosphere, hydrosphere, geosphere, and biosphere – interact through time to produce the Earth's landscapes, ecology, and resources. This course develops the explanations of phenomena fundamental to the sciences of geology and physical geography, including the early history of the Earth, plate tectonics, landform evolution, the Earth's geologic record, weather and climate, and the history of life on Earth. Instruction should focus on inquiry and development of scientific explanations, rather than mere descriptions of phenomena. Case studies, laboratory exercises, maps, and data analysis should be integrated into units. Special attention should be paid to topics of current interest (e.g., recent earthquakes, tsunamis, global warming, price of resources) and to potential careers in geosciences.

Standards: *Course Standards can be found at*
<https://lor2.gadoe.org/gadoe/file/24123704-c715-4ded-95f1-cdec3ddb1a95/1/Science-Earth-Systems-Georgia-Standards.pdf>

Required Assignments: This class will have a variety of project-based learning, argument driven research and summative assessments. Be prepared to WORK IN GROUPS and INDIVIDUALLY on a variety of assignments. Literacy is an extremely important aspect of this class, so keep up on any required reading.

Units to be covered include: The Formation of Our Solar System and the Planets, Earth's Composition and Structure, Geologic Processes, Surface Processes on Earth, Processes of Our Climate, Resources and Our Environment.

Availability for Extra Help: By appointment or during IF

Makeup Work: Most of the work builds upon the previous unit. If you are absent, please make up the work as soon as you can for the best possible experience in this class. Until an assignment has been submitted, an **M** (missing) will be placed in the gradebook and will be calculated as a zero.

Grading Calculations:

Course Average = 50% (1st Sem. Course Work) + 50% (2nd Sem. Course Work)
1st and 2nd Semester Course Work = 75% Summative + 25% Formative

Grading Policy:

A = 90 – 100
B = 80 – 89
C = 70 – 79
Failing = Below 70

Formative Assessments include, but are not limited to, homework, class work, labs, investigations, practice tests, rough drafts, and sections of projects/research papers/presentations.

Summative Assessments include, but are not limited to, unit tests, final projects, final essays, formal lab reports, final research papers, and final presentations.

Learning Resources/Textbook(s): All learning resources, both print and digital, are meant to support and enhance the student learning experience in this class. Below are the names of the textbooks and websites that will be used in this course. Some of the web-based resources require parent permission per federal regulations. Federal laws that guide parent permission requirements are as follows:

- **Children's Internet Protection Act (CIPA):** The school is required by CIPA to have technology measures and policies in place that protect students from harmful materials including those that are obscene and pornographic. Any harmful content contained within inappropriate sites will be blocked. <http://fcc.gov/cgb/consumerfacts/cipa.html>
- **Children's Online Privacy Protection Act (COPPA):** COPPA applies to commercial companies and limits their ability to collect personal information from children under 13 years of age. No personal student information is collected for commercial purposes. <https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions-0>
- **Family Educational Rights and Privacy Act (FERPA):** FERPA protects the privacy of student education records and gives parents the right to review records. Under FERPA, schools may disclose directory information in certain circumstances. <http://www2.ed.gov/policy/gen/guid/fpco/ferpa>

Please review the resource list. Each website related to the curriculum resources is provided along with its privacy policies. Should you have any questions regarding these resources, immediately contact the course teacher via email or phone.
