GEORGIA MILESTONE

It is important that all students and parents understand that the State of Georgia requires all U.S. History students to take a Georgia Milestone Exam in U.S. History. This test will count 20% of the student's final grade. All U.S. History students will take the Georgia EOC Milestone May 10, 2023. Because the test is given at the end of the year, it is very important that the student work as hard as possible in class on all class assignments throughout the year.

Ex. Student receives a 70% for a final average for the year (four markings period average) this equals 80% of his/her grade. ($70 \times .8 = 56\%$)

Student takes milestone and receives a 40%, this will be 20% of the student's grade ($40 \times .2 = 8\%$) This student's Grade would be failing with $56 + 8 = 64\%$
