

# Performance Assessment Task

## Unit 1: Citizenship in Action

### Army JROTC – The Making of a Better Citizen [U1C1L1]

This performance assessment task gives you an opportunity to document your achievement of the lesson's competency:

#### Identify how Army JROTC can impact your future

---

#### Directions

---

For this performance assessment task you will summarize how JROTC might help you meet your future goals for success. For this assessment you will:

1. Write a short summary about the mission of JROTC, and how JROTC might help you achieve your future goals.
2. Refer to the attached scoring guide, which shows evaluation criteria.
3. Self-assess your completed summary using the same scoring guide.
4. Use the attached scoring guide criteria for what you need to do to complete this task.
5. Submit your completed performance assessment task and scoring guide to your instructor for evaluation and a grade.

**RECOMMENDATION:** It is recommended that you add this performance assessment task to your Cadet Portfolio.
