Business and Technology Program @WRHS

Wiregrass Ranch High School

2909 Mansfield Blvd.

Wesley Chapel Florida 33543

813.346.6000

Principal: Robyn White

Business Education provides you with the skills to succeed in today's workforce, college, and in your daily lives. As a **successful graduate** of WRHS Business and Technology Program you will learn the personal finance, budgeting, word processing, and spreadsheet, design publishing; digital and internet skills necessary for college and career readiness.

There are *two courses of study* in the Business and Technology program at WRHS:

- **Business Program**
- **Design Program**

Both programs lead to the **Business Cooperative Education** Course where you can practice your skills in the business environment and earn a credit for this course.

Enjoy and learn even more when you join the *Future Business Leaders of America the co-curricular organization for Business Students @WRHS*

Upon completion of a business program at WRHS, you will have the option of going to college, working or do both! Most business courses at WRHS are honor level credit, practical arts credit and most have industry level certification.
