

**"Imagine"**  
**John Lennon**

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
Living for today...

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion too  
Imagine all the people  
Living life in peace...

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world...

You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

**"Where Is The Love?"**

**The Black Eyed Peas**

What's wrong with the world, mama  
People livin' like they ain't got no mamas  
I think the whole world addicted to the drama  
Only attracted to things that'll bring you trauma

Overseas, yeah, we try to stop terrorism  
But we still got terrorists here livin'  
In the USA, the big CIA  
The Bloods and The Crips and the KKK

But if you only have love for your own race  
Then you only leave space to discriminate  
And to discriminate only generates hate  
And when you hate then you're bound to get irate, yeah

Madness is what you demonstrate  
And that's exactly how anger works and operates  
Man, you gotta have love just to set it straight  
Take control of your mind and meditate  
Let your soul gravitate to the love, y'all, y'all

People killin', people dyin'  
Children hurt and you hear them cryin'  
Can you practice what you preach  
And would you turn the other cheek

Father, Father, Father help us  
Send some guidance from above  
'Cause people got me, got me questionin'  
Where is the love (Love) (x4)

It just ain't the same, always unchanged  
New days are strange, is the world insane  
If love and peace are so strong  
Why are there pieces of love that don't belong

Nations droppin' bombs  
Chemical gasses fillin' lungs of little ones  
With ongoin' sufferin' as the youth die young  
So ask yourself is the lovin' really gone

So I could ask myself really what is goin' wrong  
In this world that we livin' in people keep on givin' in  
Makin' wrong decisions, only visions of them dividends  
Not respectin' each other, deny thy brother

## Utopia Song Lyrics 3

A war is goin' on but the reason's undercover

The truth is kept secret, it's swept under the rug  
If you never know truth then you never know love  
Where's the love, y'all (x3)

People killin', people dyin'  
Children hurt and you hear them cryin'  
Can you practice what you preach  
And would you turn the other cheek

Father, Father, Father help us  
Send some guidance from above  
'Cause people got me, got me questionin'  
Where is the love (Love) (x4)

I feel the weight of the world on my shoulder  
As I'm gettin' older, y'all, people gets colder  
Most of us only care about money makin'  
Selfishness got us followin' our wrong direction

Wrong information always shown by the media  
Negative images is the main criteria  
Infecting the young minds faster than bacteria  
Kids wanna act like what they see in the cinema

Yo', whatever happened to the values of humanity  
Whatever happened to the fairness in equality  
Instead of spreading love we're spreading animosity  
Lack of understanding, leading us away from unity

That's the reason why sometimes I'm feelin' under  
That's the reason why sometimes I'm feelin' down  
There's no wonder why sometimes I'm feelin' under  
Gotta keep my faith alive till love is found  
Now ask yourself

Where is the love? (x4)

Father, Father, Father, help us  
Send some guidance from above  
'Cause people got me, got me questionin'  
Where is the love?

Sing with me y'all:  
One world, one world (We only got)  
One world, one world (That's all we got)  
One world, one world

And something's wrong with it (Yeah)  
Something's wrong with it (Yeah)  
Something's wrong with the wo-wo-world, yeah  
We only got  
(One world, one world)  
That's all we got  
(One world, one world)

**“Utopia”**

**Alanis Morissette**

We'd gather around all in a room fasten our belts engage in dialogue  
We'd all slow down rest without guilt not lie without fear disagree sans judgment

We would stay and respond and expand and include and allow and forgive and  
Enjoy and evolve and discern and inquire and accept and admit and divulge and  
Open and reach out and speak up

This is utopia this is my utopia  
This is my ideal my end in sight  
Utopia this is my utopia  
This is my nirvana  
My ultimate

We'd open our arms we'd all jump in we'd all coast down into safety nets

We would share and listen and support and welcome be propelled by passion not  
Invest in outcomes we would breathe and be charmed and amused by difference  
Be gentle and make room for every emotion

We'd provide forums we'd all speak out we'd all be heard we'd all feel seen

We'd rise post-obstacle more defined more grateful we would heal be humbled  
And be unstoppable we'd hold close and let go and know when to do which we'd  
Release and disarm and stand up and feel safe

This is utopia this is my utopia  
This is my ideal my end in sight  
Utopia this is my utopia  
This is my nirvana  
My ultimate
